

The background of the entire image is a stylized American flag. It features a blue field with white stars in the upper left corner, and alternating red and white wavy stripes that fill the rest of the frame. The text is centered over this background.

Thank you for your sacrifice,
You gave your strength, your youth, and time.
You did a job not many will.
You deserved our respect, and you do still.
Though you didn't give your life, you were a willing soul.
Only your brothers in combat, your suffering truly know.

We love that you are here with us and honor who you are.
A grateful nation appreciates every single scar
That wrote upon the slate of you, though you were very brave.
You came back to us a hero, you are not quite the same.
For you have learned to bear the weight of defending freedom's call.
But you did come back, and that is what we give thanks for most of all.

May God bless all of America's veterans.

Speeches For Memorial Day Services:

Hoosiers on the Home Front Dawn Bakken, 2022-09-06 Wars are fought on the home front as well as the battlefield. Spouses, family, friends, and communities are called upon to sacrifice and persevere in the face of a changed reality. *Hoosiers on the Home Front* explores the lives and experiences of ordinary Hoosiers from around Indiana who were left to fight at home during wartimes. Drawn from the rich holdings of the *Indiana Magazine of History*, a journal of state and midwestern history published since 1905, this collection includes original diaries, letters, and memoirs and research essays all focused on Hoosiers on the home front of the Civil War through the Vietnam War. Readers will meet, among others, Joshua Jones of the 19th Indiana Volunteer Regiment and his wife Celia Attia Porter, a young resident of Corydon, Indiana, writing to her cousin about Morgan's Raid; Civil War and World War I veterans who came into conflict over the Indianapolis 500; and Memorial Day observances. Virginia Mayberry, a wife and mother on the World War II home front, and university students and professors, including antiwar activist Howard Zinn and conservative writer R. Emmett Tyrrell Jr., clashing over the Vietnam War. *Hoosiers on the Home Front* offers a compelling glimpse of how war impacts everyone, even those who never saw the front line.
