Superheroes and Critical Animal Studies Sean Parson,J.L. Schatz,2017-12-20 Superheroes and Critical Animal Studies explores and puts into dialogue two growing field of studies comic studies and critical animal studies The book s aim is to create a form of praxis that people can use to actualize many of the values superheroes strive to protect To this end contributor chapters are divided into sections on the foundation of superhero representation and how to teach it criticisms of particular superheroes and how they fall short of truly protecting the planet and interpretations of specific characters that can be read to produce a positive orientation to the nonhuman world and craft strategies to promote liberation in the real world Altogether the book produces a form of scholarship on the media that is both intersectional in scope and tailored to have an impact on the reader beyond theorizing superheroes for theorization s sake

Super Skills, Super Reading Perry Dantzler,2020-12-25 What comes to mind when you think about superheroes Strength bravery and heroism are common answers However superheroes do not only have physical strength but they also have mental strengths and skills Superheroes tend to have intelligence and detection skills which allow them to develop other skills In this analysis of superhero literacy aimed at students the connection between superhero media and larger theories of literacy are explored The author uses six superhero television shows to show how literacy is portrayed in superhero media and how it reflects and shapes cultural ideas of literacy The shows covered are Arrow The Flash Gotham Jessica Jones Luke Cage and Daredevil

The Art and Science of Heroism and Heroic Leadership Scott T. Allison,James K. Beggan,Olivia Efthimiou,2019-06-21 Heroism is a rich elusive phenomenon Any adequate understanding of heroic behavior requires a new type of scholarly imagination one that taps into human artistic sensibilities as much as it does the rigors of scientific inquiry In an important sense we invoke a meta version of the call to heroic imagination by Franco Blau and Zimbardo 2011 who describe such imagination as a mind set and a collection of attitudes p 13 that can steer everyday people toward heroic achievement This eBook also merges our understanding of heroism with heroic leadership demonstrating that heroic leadership applies the principles of heroism in moving groups toward noble collective goals This eBook represents an effort by a distinguished group of authors to unleash their own creative mindsets attitudes and imaginations in their scholarship on heroism and heroic leadership
