## Hulu Usa:

From Networks to Netflix Derek Johnson, 2018-01-03 Even as the television industry experiences significant transformation and disruption in the face of streaming and online delivery the television channel itself persists If anything the television channel landscape has become more complex to navigate as viewers can now choose between broadcast cable streaming and premium services across a host of different platforms and devices From Networks to Netflix provides an authoritative answer to that navigational need helping students instructors and scholars understand these industrial changes through the lens of the channel Through examination of emerging services like Hulu and Amazon Prime Video investigation of YouTube channels and cable outlets like Freeform and Comedy Central and critiques of broadcast giants like ABC and PBS this book offers a concrete tangible means of exploring the foundations of a changing industry **The Handmaid's Tale**

Janis Goldie, Karen A. Ritzenhoff, 2019-06-06 The Handmaid's Tale Teaching Dystopia Feminism and Resistance across Disciplines and Borders offers an interdisciplinary analysis of how Margaret Atwood's The Handmaid's Tale as well as its film and television adaptations can be employed across different academic fields in high school college and university classrooms Scholars from a variety of disciplines and cultural contexts contribute to wide ranging analytical strategies ranging from religion and science to the role of journalism in democracy while still embracing gender studies in a broader methodological and theoretical framework The volume examines both the formal and stylistic ways in which Atwood's classic work and its adaptations can be brought to life in the classroom through different lenses and pedagogies *Handbook on the Economics of the Internet* Johannes M. Bauer, Michael Latzer, 2016-05-27 The Internet is connecting an increasing number of individuals organizations and devices into global networks of information flows It is accelerating the dynamics of innovation in the digital economy affecting the nature and intensity of competition and enabling private companies governments and the non profit sector to develop new business models In this new ecosystem many of the theoretical assumptions and historical observations upon which economics rests are altered and need critical reassessment **Global Communication** Thomas L.

McPhail, Steven Phipps, 2019-10-11 Discusses the players theories and trends that affect how the world communicates and gets their information This book is the most definitive text on multinational communication and media conglomerates exploring how global media influences both audiences and policy makers around the world Comprehensively updated to reflect the many fast moving developments associated with this dynamic field this new edition investigates who and where certain cultural products are coming from and why and addresses issues and concerns about their impact all over the world Global Communication Theories Stakeholders and Trends 5th Edition is framed by two theories One is World System Theory WST which views nations through an economic lens The other Electronic Colonialism Theory ECT views nations through a cultural lens Through these theories the book examines broadcasting mass media and news services ranging from MSNBC MTV and CNN to television sitcoms and Hollywood export markets It investigates the roles of the major players such as News

Corp Sony the BBC Disney Bertelsmann Viacom or Time Warner and probes the role of advertising and the Internet and their ability to transcend national boundaries and beliefs New chapters look at the growing importance and significance of other major regions such as the media in the Middle East Europe and Asia Outlines the major institutions individuals corporations technologies and issues that are altering the international information telecommunication and broadcasting order Focuses on a broad range of issues ranging from social media and new services like Netflix as well as Arab and Asian media Explains and interprets three major movements or theories NWICO Electronic Colonialism and World System Theory Includes major updates to the chapter on the Internet to incorporate global events over the last 5 years such as Russian use thereof Facebook Google Looks at how streaming services such as Netflix Amazon Spotify and more have emerged as dominant players in world entertainment Offers an updated instructor s website with instructor s manual test banks and student activities Global Communication Theories Stakeholders and Trends 5th Edition is intended as an upper level undergraduate text for students in courses on International Global Communication Global Media Journalism and Media Systems in Journalism Communications or Media Studies Departments *Good Old-Fashioned Values* Melissa Vosen Callens,Olivia Vogt,2024-07-24 Seth MacFarlane has made an immense mark on popular culture through both his live action and animated television series Family Guy American Dad The Cleveland Show and The Orville While MacFarlane has garnered a large legion of fans even those who do not personally watch Family Guy this longest running series will be quick to recognize images of Peter and Stewie Griffin a caricature of the clueless dads from sitcoms of yesteryear and an inexplicably queer coded evil baby genius respectively This book explores Family Guy and Seth MacFarlane s other animated series closely examining how the series uses satire and other strategies to construct specific ideas related to sex gender and family The authors argue that the series like many other television series contribute to our collective understanding of family and reinforce at times unfavorable gender stereotypes **FCC Record** United States.
