Something We Never Imagined Douglas J. Wemple, 2022-04-28 *Something We Never Imagined* is a story about an intriguing country boy named Colton Dust who moves to Los Angeles to study journalism at USC after graduating from high school in his small hometown. A few years after graduating with a degree in journalism he finds himself quickly rising up the ranks as a news columnist in LA when his first column at a smaller newspaper catches the eye of the Editor in Chief at the largest newspaper in LA. However just as he is finally achieving success in his career he happens to meet a beautiful young woman named Emma Lee Coal who begins to stir something inside of him he had not felt in a long time but in order to open his heart he has to encounter a painful experience still haunting him from his past. Even though Emma Lee is initially enchanted by his charming looks she quickly finds him a bit brash and self centered. Yet she also finds herself intrigued to learn more about why he believes what he does she just isn't sure if she'll ever see him again after their first encounter. Then after a twist of fate brings the two of them together again she begins to help him experience the healing power of forgiveness but as his life hits a crossroad point he must decide if he truly has faith and trust in God in order to experience something he never could have imagined.

Christmastime Cowboy Maisey Yates, 2017-10-24 Let New York Times bestselling author Maisey Yates whisk you away to Christmas in Copper Ridge where love is waiting to be unwrapped. Falling for a bad boy once is forgivable. Twice would just be foolish. When Sabrina Leighton first offered her teenage innocence to gorgeous tattooed Liam Donnelly he humiliated her then left town. The hurt still lingers. But so does that crazy spark. And if they have to work together to set up her family winery's new tasting room by Christmas why not work him out of her system with a sizzling affair? Thirteen years ago Liam's boss at the winery offered him a bribe: leave his teenage daughter alone and get a full ride at college. Convinced he wasn't good enough for Sabrina, Liam took it. Now he's back as wealthy as sin and with a heart as cold as the Oregon snow. Or so he keeps telling himself. Because the girl he vowed to stay away from has become the only woman he needs and this Christmas could be just the beginning of a lifetime together.
