[Managerial Finance in a Canadian Setting](#) Peter Lusztig, Bernhard Schwab, 2014-05-20. Managerial Finance in a Canadian Setting, Fourth Edition, relates the theories to the practice of managerial finance. The contents of the book are organized into eight parts that tackle the various concerns in the practice of managerial finance. The text first covers the institutional environment within which financial management takes place, which includes a brief introduction to areas of business law and taxation. Part II covers the determination of economic value, while Part III presents various long-term sources of funds available to a firm. The next part discusses the overall financing mix that a firm should employ in funding its operation. Part V covers short and intermediate term financing, and Part VI tackles financial analysis, planning, and control. The seventh part deals with working capital management, while the eighth part talks about external expansion. The book will be of great use to financing managers. Students and professionals of finance related fields such as accounting and banking will also benefit from this book.
