Brooklyn Bounce Jake Appleman, 2015-02-03 Even before they d ever played a game the Brooklyn Nets were outselling the New York Knicks in team apparel and merchandise In their first season they ranked fourth in league wide jersey sales indicative of the trendy appeal and broad fan base When the Nets played their first game at Barclays Center in downtown Brooklyn in the fall of 2012 they succeeded in bringing professional sports back to Brooklyn for the first time since the Dodgers abandoned the borough in 1957 Now Brooklyn Bounce chronicles the historic first season full of highs and lows plenty of them entirely unexpected Jake Appleman takes us inside the locker room combining vignettes and interviews from the team s transition from the New Jersey swamp to gentrified Brooklyn to an opening night delayed by Hurricane Sandy to an epic seven game playoff showdown with the Chicago Bulls The Nets were the game s foremost paradox in 2013 a team that managed to be the most improved in the NBA but also consistently disappointed What made them interesting wasn t their style of play or even their unique collection of personalities it was their constant state of re invention and their evolving relationship with their new home as the Barclays crowds would chant it BrooOOOK LYN
