Barton,2015-01-09 1800 years ago It was time for him to die Rembrandt was ready He had put up a good fight and nearly died twice that day but now he was done and he was ready to die on the battlefield with the rest of his brethren Death would be merciful He would finally be with his wife and children A being clad in black had other ideas Rembrandt was meant to help him fight his cause and to help right a wrong that his kind had brought to this world He gifted the reluctant Rembrandt with a taste for blood and immortality and more so much more Back to the present Rembrandt had had enough

He was over this life 1800 years ago and now he was just sick of it The creatures he fought the malefactors kept growing in numbers and he couldn't kill them fast enough to keep up He had fought the battle alone all these years and he wasn't sure he even wanted to anymore Skylar Manning was just trying to be nice The mysterious man dressed in black was hanging around after closing again It was the third time this week Only this time he grabbed her arm Her world changed forever Suddenly she found herself hunted by shadowy figures with razor sharp teeth and into the arms of a warrior who craved her as much as she did him

Parker Kathi S. Barton, 2016-10-03 Who rescued who was still a little vague but they escaped just the same The lab called him SA 8 and they had made him into a very powerful weapon But to Reese he was just Josh a boy that could do amazing things but a boy nonetheless not a lab rat That was two years ago the lab had been relentless and lethal in their pursuit With her big rig running on fumes and their last dime spent they wound up in a small town in Ohio Parker McCullough found an abandoned big rig parked on his land It had been there a few days and he wasn't quite sure what to do about it Calling the authorities seemed like the logical thing to do but when he tried to do so his cell phone went flying from his hand and a teenage boy appeared from nowhere Parker thought the boy was an Elite Shifter and after hearing a little of the boy's story he wanted to help Reese didn't know who all these people were but if she and Josh didn't get away from them the others would find them and they'd all be dead just like all the other people who had tried to help them along the way And now the gorgeous shifter Parker had her trapped in the kitchen claiming to be her mate She didn't have time for herself and she didn't want to see them all die because they'd helped her and Josh Reese was out of options

Larson Kathi S. Barton, 2017-11-30 Virginia is a bestselling paranormal romance author She does much better with her stories than with people When she's in her writing zone she won't even eat unless her mother hands her a plate and reminds her to do so She wouldn't be making the trip to the McCullough's if it wasn't absolutely necessary Go see the child and make sure he has a good home That is the plan Simple not Larson is having his own issues Being blamed for the murder of one of his clients which he didn't do has him closing up shop and laying low for a few days His mom insists that he show up for dinner to meet their visiting guests Larson would rather stay home but she'd have his hide if he did Larson sees the beauty from across the room and makes his way to her Before he even reaches her he catches her scent She is his mate Now what is he supposed to do He has his life just the way he wants it and a mate wasn't figured into that equation On the other hand the way she flushes when she returns his stare has him thinking anything but pure thoughts Maybe having a mate wouldn't be so bad after all

She will die if her cat can't get what she needs from him. She will love him because she has no choice; he is her mate, but that is a secret she is willing to take to her grave.

Ian Kathi S. Barton, 2020-08-04 Things hadn't been going very well for Lucy and her two sisters. When their parents died, their uncle had moved in and took over. The girls apparently were too much trouble to worry about so he'd dumped them onto the streets to fend for themselves. It was just luck that Ian McCray and his family had found Lucy that day. Both Lucy and her sister Jilly were in bad need of medical attention. Ian was just thrilled to have found his mate alive. In their situation it could have been much worse. Lucy was thankful for the help, but she was just going from one man to another, lording over her and dictating what she could and couldn't do. It was marry Ian or lose her sisters for good. Ian was a nice man, but she was tired of everyone telling her what to do.

But trust in people is something Mercedes lost the moment Nash forced her to marry him at gunpoint. If the job sounds too good to be true, it probably is. Darin Douglas is struggling to make ends meet as he opens his new bed and breakfast, The Douglas House. He has his first booking coming in in a few days and wants everything perfect, so he brings the family in to sample the first menu and show off his new place. His brothers bring the already reluctant new Vet with them to dinner to meet the rest of the family. Darin and Zack Darin met the Vet's young daughter earlier that day and already loved the little girl, but he is surprised, but not disappointed, when his cat recognizes Mercedes as his mate. Mercedes, on the other hand, is scared witless. She had found out a few hours before that paranormals really existed and she was living among them. Now this big handsome brute is telling her that she belongs to him, and his cat, ah, hell, no. Nash Crosby isn't finished with his ex. They aren't divorced until Mercedes and that brat of hers are dead.

The first job that looks promising is as a cook for Summer Payne. Samuel's mother Kennedy hopes the job will pan out so she can afford an apartment and do a little better for herself. She came back to town as the last living relative to claim the house. Finny Farley had been gone for quite some time. He had passed on but he never left the house. He had some treasures buried around the property. What's happened? Ethan had to swallow twice before he could ask her what she meant. You're not one to spout off whatever is in your head, I kind of liked that about you. But you're just talking to be hearing your voice, right now? What's going on? Nodding he asked if he could have a seat. So long as you understand that I'll kick your ass out if it's something stupid, you have to say. Like we're related or something. Worse, being mates. I don't need a mate any more than I need a second hand. What's up? We're not related. Not yet, at any rate. But I am your mate. He sat down in one of the most comfortable kitchen chairs he'd ever been in. Is this from that set that Georgie got you? This is really nice. I might have to have her. Stop babbling and tell me what you mean. I'm your mate.

I run so hot and hard that I feel as if the world knows that I need her in ways that are not right. She will taste better than you can ever dream of and her body will give you pleasure in ways you cannot imagine. Agon stared at him for several seconds. But you cannot touch her. She is your charge. If you do not wish to have her as your wife then you must not touch her in any way. If you do, if you do my friend, then there will be no turning back. For the touch of the woman you are to spend your days with will haunt you in ways that will make you want to end your life in order to be with her. Trust me on this. I am well.
