### **Atravesados**

Trevor Boffone, Cristina Herrera, 2025-02-17 Contributions by Frederick Luis Aldama Trevor Boffone T Jackie Cuevas Cristina Herrera Alexander Lalama Angel Daniel Matos Regina Marie Mills Joseph Isaac Miranda Jesus Montaño Domino Renee Perez Regan Postma Montaño Cristina Rhodes and Sonia Alejandra Rodriguez Atravesados Essays on Queer Latinx Young Adult Literature shows how Latinx queer YA

writers discard the same old story and offer critical representations of queerness that broaden YA writing and insist on the presence of queer teens of color Atravesados draws on foundational Chicana queer theorist Gloria Anzaldúa's notion of atravesados to speak to the spectrum of queer youth Latinidades as they materialize in YA literature. Los atravesados according to Anzaldúa are the squint eyed the perverse the queer the troublesome the mongrel the mulato the half breed the half dead in short those who cross over pass over or through the confines of the normal. Los atravesados reside in the borderlands space of *ni de aquí ni de allí* neither here nor there present yet liminal their queerness the very source of both frustration and empowerment a paradox of joy and tragedy. Although written in 1987 Anzaldúa's theory speaks to the realities of queer Latinx teens that fill the pages of YA literature well into the twenty first century. Characters such as Juliet from Gabby Rivera's *Juliet Takes a Breath* Aaron from Adam Silvera's *More Happy Than Not* or the titular Chulito from Charles Rice Gonzales's novel encompass the highs lows and everything in betweenness of queer Latinx teen lived experiences. This collection tells their stories. Contributors speak to the spectrum of queer youth Latinidades as they materialize in YA literature paying close attention to representation and the ways youth are portrayed whether accurate or stereotypical. Close attention is paid to books that succeed in broadening the field of YA highlighting authors that draw from their own lived experiences and situate strong fully developed characters. Taken together these essays move beyond the page explaining to readers why representation and authenticity matter in YA literature as well as the far reaching effects they can have for real world queer Latinx teens.

**Impact of Influencer Marketing on Young Women's Customer Experience on Cosmetic Products** Jule Prescher, 2023-06-06 Bachelor Thesis from the year 2023 in the subject Communications Multimedia Internet New Technologies grade 13 University of applied sciences Cologne language English abstract This thesis aims to realize how influencer marketing performs and its impact on the Cx. Therefore the research addresses the following questions: How powerful are influencers these days? What is different about influencer marketing and why is it a successful strategy? How do people perceive information shared by influencers and which factors are decisive for potential customers to purchase products advertised by influencers? What impact does an influencer have on the overall Cx? The internet has been fully integrated into people's daily lives worldwide over the past years. The percentage of the world's population with access to the internet has doubled from 32% in 2011 to 63% in 2021. 90% of people from developed countries access the internet in 2021. At the same time the number of social network users is increasing. These networks have the purpose of connecting with friends. In 2022 5 billion people have access to the internet worldwide and 4.7 billion people use social media (SM). Ultimately 93% of those with internet access own at least one SM account that is more than half the population worldwide. Through time companies found new marketing strategies which reached active people on SM. These platforms are necessary to reach Generation Z people born in the late 1990s. They are different and cannot be reached in the same way as they watch Netflix instead of TV or listen to Spotify instead of the radio for example. Influencer marketing became a 10 billion industry in 2020.

Influencers share their lives on SM networks Due to their high reach they receive offers from companies for cooperation Influencers followers admire and trust their recommendations due to their personal and authentic representation While advertising products influencers show how to use them where to buy them and give their opinion For higher sales influencers often receive promo codes for a discount or free products for each order [\*\*TikTok User Guide\*\*](#) Aaron Smith,2020-05-12 A
