**The Wallkill Valley in Art and Story (Classic Reprint)** Wallkill Valley Farmers' Association, 2015-07-11 Excerpt from The Wallkill Valley in Art and Story Decades pass in rapid succession and the panorama of life yields little of its detail if even its outline to the generation that follows It is but a brief interval since the aboriginal denizens of the forests held unrestricted sway over the mountain fastnesses and intervening valleys of Southeastern New York It has been said that in America our local history has not yet received its full development We have been careless of our traditions monuments and relics which if of a different sort from those of Europe are no less interesting and important to preserve The following pages are too few to make any pretence to being a history of the Wallkill Valley They may serve however to record much that might otherwise pass with the forgotten and unknown and hence are merely offered as a contribution to the growth of local song and story to cling like green vines about the broken fragments of the past The response to former publications of this character has met with such complimentary reception at home and abroad that we are encouraged to add the present volume to those of former years I desire to acknowledge the invaluable co operation and assistance of the many individuals who have contributed in many ways to give this souvenir much of whatever value it may have About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Used**
