## **World Series Compare:**

World Series Chronology Sal Tartaglia, 2019-05-16 I d like to thank you remaining reading dinosaurs for your interest in this project I believe this compilation of baseball championship statistics differs from any previous attempts at documenting the history of the World Series Since the Sports Encyclopedia Baseball was discontinued by the Neft brothers if one were curious to know which team comes the closest to the New York Yankees record 5 consecutive titles 1949 53 one could in fact garner the answer in Encyclopedia after substantial investigation But in Chronology it s easy to see that the Oakland Athletics string of 3 straight 1972 74 is the next franchise in line Or if someone was interested in knowing which two teams faced one another the most times in World Series competition again this could be found after much tracking in another publication Finding that the Yankees and Dodgers have met 11 times would not be impossible to decipher from the Encyclopedia But again Chronology does all the research and the information jumps right off the page for the reader The Yanks dominated the BROOKLYN Dodgers in their 7 meetings by winning 6 times But since the Dodgers have moved to Los Angeles the teams have split their 4 match ups evenly These are just two examples of the myriad of comparisons contrasts relative similarities of all of the franchises that have played the glorious game of baseball into the fall Want to know what teams dominated a specific decade in their respective league Or how many times How about how many times have teams that won 100 games in the regular season have faced one another in the Fall Classic Which team has the most sweeps Who got there with the least amount of wins How they all fare historically Which league holds the edge What effect does winning a title have on that team s city s crime rate All of this information combined with anecdotes social historical correlations and so much more is conveniently at the disposal of the reader Thank you for your time I suspect that afterward you ll thank me for mine

**World Series Chronology** Sal Tartaglia, 2019-06-17 I d like to thank you remaining reading dinosaurs for your interest in this project Sadly I believe we are losing future generations to the art of the scribe To actually pick up a book If one were curious to know which team comes closest to the New York Yankees record 5 consecutive titles 1949 53 one could in fact garner this information in the Encyclopedia after substantial investigation But in Chronology it is easy to see the Oakland Athletics string of 3 straight 1972 74 is the next franchise in line Or if someone is interested in knowing which two teams faced one another the most times in World Series competition again this could be found after much tracking in another publication Finding that the Yankees Dodgers have met 11 times would not be impossible to decipher from the Encyclopedia But again Chronology does all the research and the information jumps right off the page for the reader The Yanks dominated the BROOKLYN Dodgers in their 7 meetings winning 6 times But since the Dodgers moved to L A the teams have split their 4 meetings evenly These are just two examples of the myriad comparisons contrasts relative similarities of all of the franchises that have played the glorious game of baseball into the fall Want to know what teams dominated a decade in their respective league Or how many times How about how many times teams that won 100 games in the regular season faced one another in

the Fall Classic Which team has the most sweeps Who got there with the least amount of wins How they all fare historically Which league holds the edge All of this information combined with anecdotes social historical correlations and so much more is conveniently at the disposal of the reader Thank you for your time I suspect that later you ll thank me for mine

**Side-By-Side Baseball Stars: Comparing Pro Baseball's Greatest Players** Matt Chandler,2014-07-01 Compares the greatest pro baseball players in history *Authentic Learning Activities: Data Analysis, Statistics & Probability* Brendan Kelly,2000 *Fair Dealing and Clean Playing* Neil Lanctot,2007-06-18 The Hilldale Club of Darby Pennsylvania was the dominant team in black baseball during the 1920s Their success came about largely through the efforts of Hilldale president and manager Edward Bolden Bolden s professionalism and reputation for fair play were instrumental in his forming the Eastern Colored EC League in 1922 This absorbing story highlighted with vivid photographs chronicles the origins and development of black baseball **Sports Economics** John L. FizeL,Elizabeth Gustafson,Lawrence Hadley,1999-08-30 The sports industry presents many unusual and interesting opportunities for the application of economic theory and econometrics In 15 professional papers this book addresses current economic issues in the industry including the problem of competitive balance the location of professional sports teams and their impact on local communities managerial decision making and issues related to labor markets Extending the previous research in sports economics the papers reflect the most recent applications of economic theory in this area The book will be a valuable resource for professional economists working on sports economics topics In two opening chapters on competitive balance the contributors develop a model for college football and examine the impact of balance on attendance in major league baseball In a section on the location of professional sports teams the chapters then develop a model to predict the location of expansion teams make econometric estimates of the impact of Super Bowls on the host city and analyze the ownership of stadiums and arenas Managerial decision making is discussed in chapters that examine alternative econometric models of production in baseball use a production function model to analyze technological change in Major League Baseball examine the management of team streaks consider the competitive balance between American and National Leagues analyze the efficiency of player trades in the National Basketball Association and estimate the impact of participation in inter collegiate sports on academic performance In the final section on labor markets the contributors estimate the impact of owner collusion on baseball players salaries consider the impact of the new collective bargaining agreement in Major League Baseball analyze the impact of being a union representative and examine the impact of the National Football League s salary cap on player s salaries **Challenging the Boundaries of Symbolic Computation** Peter Mitic,Phil Ramsden,2003 This volume consists of papers delivered at the International Mathematica Symposium 2003 OCo an interdisciplinary meeting bringing together users of Mathematica in research and education It gathers research papers reports on classroom practice reports on the use of Mathematica in industry and commerce and descriptions of fresh applications List of contributors J Nash S Wolfram R Maeder B Buchberger and C
