Dis.Ordering Distribution Cornelia Storz, Vinzenz Hediger, Matthias Krings, 2025-09-23 Dis Ordering Distribution explores the intricate relationship between distribution and production drawing on empirical evidence from two vibrant centers of cultural production Africa and Asia Creative Tools and the Softwarization of Cultural Production Frédérik Lesage, Michael Terren, 2024-01-17 This book explores how creativity is increasingly designed marketed and produced with digital products and services a process referred to as softwarization If being creative has developed into one of the paradigmatic architectures of power for framing the contemporary subject then an essential component of this architecture involves its material and symbolic configuration through tools From image editors to digital audio workstations video editors to game engines these modern tools are used by creatives every day and mastering these increasingly complex technologies is now a near compulsory pathway to creative work Despite their ubiquity in cultural production few have sought to theorize them in aggregate and with interdisciplinary breadth By bringing disparate creative and methodological traditions in one volume this book provides a comprehensive overview of approaches for understanding this complex emerging and dynamic field that speaks beyond the disciplinary categories of tool instrument and or software It makes a unique intervention in the fields of cultural production and the cultural and creative industries Billboard Music Week, 1929 *De Gruyter Handbook of Media Economics* Ulrike Rohn, M. Bjørn Rimscha, Tim Raats, 2024-05-20 The handbook presents key contributions from scholars worldwide providing a comprehensive exploration of current trends in media industries from diverse perspectives Within the framework of understanding contemporary and future trajectories in media markets and industries the volume delves into their influence on media organization and delivery along with broader societal and market implications Encompassing research at the crossroads of economics management political economy and production studies the handbook emphasizes the necessity for a robust interdisciplinary dialogue Beyond scrutinizing present and forthcoming industry developments the handbook addresses pivotal issues pertaining to media economics research methods and pedagogy It serves as a valuable resource for scholars students and media professionals providing insights into media economics as an academic field and delving into the multifaceted dynamics that shape the media landscape Doing this it contributes to the ongoing discourse on the evolving nature of media markets and their profound impact on society

Tarzan Economics, 2021-05-18 Taking the lessons learned from his years studying the rise and fall of the modern music industry Spotify's Chief Economist has crafted a compelling and generous read Scott Galloway that provides the tools to recognize and adapt to disruption in any industry As the chief economist at Spotify Will Page has had the best seat in the house for witnessing and harnessing the power of disruptive change Music has often been the canary in the coal mine for major technological and societal shifts and if there's one thing Page learned from the digital revolution it's that businesses

must be ready to pivot Drawing practical lessons from a variety of fresh case studies covering Radiohead Starbucks and even Groucho Marx Page examines the eight principles that disruption has thrown into sharp relief as keys to survival in any sector Businesses need to be ready and willing to change and if necessary be prepared to rebuild entire organizations and business models to do so Pivoting through disruption has everything to do with being able to see the revolutionary changes around the corner recognizing your strengths and having the confidence to let go of the old vine of doing business and grab onto the new A rare book of economics offering actionable takeaways in easy to understand language Tarzan Economics is the must read book for anyone staring at their own Napster moment and wishing they knew how to fail safe their business
