Unfortunately he isn't in control of his destiny. Sometimes his plans have a tendency to go horribly awry. First Gentlemen Aurelia Hilton, 2019-04-10 I've always been good with decisions. Smart, college educated and careful. I climbed my way up the corporate ladder until I earned the position of manager. The only thing I've ever had a problem with is men. In fact, the worst mistake I ever made was with one. His name was Rob, and he was my everything. I married him right out of college, not even thinking I was completely blinded by love and lust. That was my greatest mistake. Everything was perfect. Until it wasn't. I was working so hard and was incredibly successful. Too successful, in fact. Rob became jealous of me. He began disappearing, sometimes for several days. When he returned for the last time, it was with a cruel announcement: He wanted to leave me. Why I was such a good wife to him, and I had paid for it by being divorced. The pain in my heart was indescribable. After that day, I became cold. I couldn't handle the pain. My coworkers were like sharks, making passes at me, asking me out. They wouldn't leave me alone. I became even colder. This continued until I met Eric, one of our wealthiest patrons. While Rob was 10 years my senior, Eric was older. He is kind, mature, and I can see that he craves me. He's just my type, but do I want to go through that pain again? Then I met Roger. He's my age and incredibly passionate. There's a lightning attraction between us, but could I trust someone so much younger than any man I'd loved before? What am I willing to risk to find love? **WARNING:** This book is part of Aurelia Hilton's hot, sexy, steamy romance novel. Things will get hot, steamy. Find out what happens when a successful woman is given choices, because it's sexy. Spark the Flames Ivy Asher, 2026-02-10 When it comes to dragons, there's no such thing as safe. I learned that the hard way when my kith and kindred were slaughtered right before my eyes. Everyone thinks the wyverns and the sorcái did it, but I know the truth. I've been hiding from the Horde ever since, existing under their radar, surviving. And then one day they find me. He finds me. Aeson Noctis, the king's second son and my new captor. Aeson thinks he can force me back to Paragon City. He thinks he can use me and claim my power for his own. But the dragons should've been more careful about who they let inside their city. I'm not some weak little pawn. I'm here looking for answers. I'm here looking for revenge. When it comes to dragons, there's no such thing as safe. I know, because I am one, and now I'm going to make the Horde pay for what they've done. They thought they killed all the Syphons. They thought they hunted down every last one. They thought wrong. That Day In Venice Mathias Buratto, 2024-05-10 Days pass and chase each other without any pause. There are moments that seem to be marked only by time's monotony when existing and surviving become the plot and odyssey of the same story. But there are others, however, longing for a fleeting freedom capable of recognizing the most precious meaning of life. This is the story of the moment in which Karl's life changed forever. Beneath the Burning Sea Amanda Bouchet, 2025-05-27 Nothing less than explosive with battle and banter that are equally combustible. JODI PICOULT Amanda Bouchet's talent is striking.
