The Half of It Madison Beer, 2023-04-25 A memoir from singer-songwriter Madison Beer chronicling the past decade of her life spent in the spotlight, the ups, the downs, and the in-betweens that you won't see on social media. Discovered at twelve years old, Madison Beer was one of the first artists to have her entire life documented online. Over the past decade, she has navigated the spotlight as a child through her teenage years and now as a young woman in her twenties. In *The Half of It*, Madison pulls back the curtain to show the behind-the-scenes of her journey from reckoning with mass hate online and the time her private pictures were leaked to battling suicidal thoughts while making her highly acclaimed debut album *Life Support* and her recovery since then. This memoir is an honest and unflinching account of self-love, mental health, and advocacy from one of the fastest-rising musical voices and most influential social media presences of her generation. It hammers home the point more striking and urgent than ever that no matter how close the internet may make us feel to people we truly don't know, the half of it.

L. Frank Baum Angelica Shirley Carpenter, Jean Shirley, 1992 A biography of the author of *The Wizard of Oz* who invented a new kind of fairy tale uniquely modern and American.

The New Teen Age Ginni Mansberg, Jo Lamble, 2021-06-01 The GP and the psychologist combine forces to share evidence-based strategies for raising today's tweens and teens to feel confident and strong. Why are today's parents feeling like failures, worried that their teens will go off the rails, won't get through school, won't find a job, or will be overwhelmed by stress? With so many experts out there offering conflicting advice, how do parents know where to turn and who to trust? As both clinicians and parents, Dr. Ginni Mansberg and clinical psychologist Jo Lamble know first-hand how challenging it can be to raise adolescents. In *THE NEW TEEN AGE*, they team up to address both the physical and psychological issues faced by teens in this new age of social media and 24-hour devices, equipping parents and carers with sound strategies for navigating everything from parent-child tensions and peer pressure online and in the schoolyard to questions around food, sleep, exercise, screen time, body image, hormones, sexual development, skin, academic pressure, and so much more. Packed with empathy and no nonsense advice, *THE NEW TEEN AGE* is a comprehensive guide to raising happy, healthy humans in our rapidly changing world. Perfect for fans of *bestselling The Book You Wish Your Parents Had Read* by Philippa Perry. Being a parent of a teenager can be daunting. How do we help them?

navigate the modern world while keeping them safe and happy Their physical and psychological changes throw up a whole range of issues that we aren't always equipped to handle Here finally is a practical and direct guide for parents that covers the lot Phew Amanda Keller **The Folding Lady** Sophie Liard,2022-04-26 Making her debut in 2020 and already followed by more than 3.8 million fans on TikTok the internet sensation The Folding Lady shows everyone how to use her smart and simple home hacks and tips to fold any household item and organize difficult areas to create extra space and improve functionality in the home In this illustrated guide Sophie Liard brings her expertise together and teaches you how to fold all of your household items from boxers leggings and socks to sheets towels and even napkins and wrapping paper The Folding Lady shows you that anything is foldable and shares the inner joy that folding brings and offers extra tips on organizing drawers desks snack drawers cosmetics and more to make life a little easier and more manageable Sophie encourages you to take charge of small simple and achievable tasks Sometimes you have to let go of trying to tackle the big stuff and make the most of the little things that can be controlled The Folding Lady will bring you comfort and help you find solace amid the daily stress **The Impact of Viral TikTok Trends on Today's Supply Chains** Toby Lazear,2022 The advent of social media has changed the way in which consumers shop drastically and in turn the way in which supply chains function TikTok due to its unique design has constructed an environment where products can become viral with much more ease than seen on any prior social platform As a result companies are met with viral videos promoting their products entirely unbeknownst to them and without preparation Supply chains must be agile to continue to meet customer demand in times when products cannot stay on shelves long enough to be marketed This thesis serves to advise future companies with recommendations for best practices when it comes to viral products on TikTok As for the research component much of the information found in the literature review stems from outside sources The thesis then goes on to cover both case studies and interviews to analyze specific instances of TikTok viral products and the resulting impact on brands that have experienced such shockwaves

Through the research conducted and conversations held conclusions were able to be drawn leading to exposing common pitfalls companies can fall into when dealing with viral products Trendspotting and social listening constantly are now more important than ever as brands must be able to recognize trends before the public does to change the narrative on their own behalf and prepare behind the scenes from a supply chain perspective Having open lines of communication both cross functionally and throughout the supply chain are crucial to ensure strong relationships and ease of flexibility in the event of disruptions Because of the ever changing and growing platform of the app it is inevitable that more companies will soon be experiencing the same cycle and it is better to know the best practices of preparation than be left playing catch up for years to follow **The Oz Scrapbook** David L.
