alternative options of medicinal healing techniques are getting more and more popularity and yoga is one of the significant ones. Yoga isn't only a physical exercise but at the same time is a method for keeping the psychological state flawless. Yoga helps in keeping the body fit and fine and furthermore clears the brain from any stress which in a roundabout way demonstrates to be negative with regards to living a healthy lifestyle. The word yoga begins from the Sanskrit word Yuj which implies addition the addition of strength energy and beauty to the body mind and soul. Restorative yoga a practice that relies on the use of props support and the prolonged holding poses to achieve a deep level of relaxation guides the yogi toward relaxed healing and recuperative experience. The practice involved in restorative yoga training will focus on how one will experience on breathing method and typically on one's holding on tension and to relax our body graciously allowing the breath to come in more so the habitual tension within can be cooled off and softened. Yoga as a new Lifestyle In this modern world yoga is adopted as a lifestyle and it is the best lifestyle ever designed and is effective in managing various lifestyle disorder occurrences. One must remember to have both the senses of being healthy as well as feeling healthy. Restorative Yoga Lifestyle Guide Restorative yoga practice encompasses several different styles of relaxation techniques and healing orientated Hatha yoga practices which are able to cultivate mental conscious relaxation and most necessary to release both mental and habitual tension in the body and mind this bring positive results of Yoga. As per the perspective of yoga the problem of quality life has two basic angles and both material and spiritual angles are co related to one another. The spiritual side includes both body and mind perspectives. It is essential with a healthy body there should be a healthy mind and vice versa. The human feelings thoughts ideas and beliefs somehow directly or indirectly affect the biological process of the body. Minds have capabilities to create an impact on how healthy the bodies are. There is a complex interconnection union between the mind and body as mind can affect the body simultaneously mental state can impact the human physical body. Restorative yoga is the perfect practice to help you revolve around this divine union bringing them together with the right techniques of the practice you awaken the divine balance with grace a positive poise with strength and clear mind awareness. As a proven practice for self transformation restorative yoga allow the fine integration of all the aspects of life converging spiritual physical emotional psychological within one's environment which help to reclaim from the stress inflicted from a strenuous lifestyle therefore awakening to your own nature's quest with set goals.

*Yoga for Beginners* Paige Gilmore, 2021-04-05

Do you want to do yoga practice but worry that it may be too difficult for you. Not this time. This book contains asanas that can be made by people of any age of any body size and with any physical training. The basic yoga poses in this book have been drawn directly from the most prestigious texts of this millenary tradition the classic Gheranda Samhita and Hatha Pradipika as well as the more recent Satyananda lineage texts like Asana Pranayama Mudra Bandha. Penned and illustrated by gurus teachers throughout history they are tried and true. Yoga teaches us how to stimulate and balance our seven chakras in order to create a clear energy flow. This has many benefits like fine tuning the hormone producing endocrine system for example the thyroid

and dramatically improving mental health Here you will find 2 3 simple asanas for healing each chakra Practicing the ancient technique of asana postures and pranayama breathwork can heal your chakras and take you to a place of healthy flow This will most likely have a positive impact on your physical and mental energy as well as improving your overall health Everyone can practice yoga No matter the shape age or function of your mind and body the practice of postures and breathwork will help you get in touch with your body with the highest version of yourself and with everything around you Stretching all the way down doesn't matter Perfecting the shape of the asana doesn't matter All that matters is that by getting only 30 daily minutes of yoga practice you are showing up for yourself You are committing to healing chakras and the energy within you This is your moment to be fully you Try this book and see for yourself
