**Abrasive, Soft and Ecological** Kaustav Chakraborty,2026-01-22

The book in an innovative way interconnects theology media and politics in order to understand masculinity in terms of everydayness virtual circulations cinematic projections musical ramifications and political assertions It not only opposes toxic Indian masculinity but also counterposes the vulnerable masculinities of feminine men and proposes reviving ecomasculinity and such other habitable masculinities The book tries to understand abrasive masculinity as a muscular mentality that drives Indian men to act in certain stereotyped ways Beginning with the anxiety of intimacy that an abrasive muscular mentality creates in relation to Indian men s belongingness with those who are projected as Other women and queer people the volume tries to understand the theological roots of abrasive masculinity along with its routed mediatized avatars Thereafter it shifts its focus to the vulnerable masculinity of soft men who are victimized on account of their effeminacy In an intersectional mode the plight of both feminine cisgender and gay men is critically discerned The book concludes with the counterculture of Indian YouTuber men who are detoxifying the mediatized Movement for Men s Rights in India along with revisiting the ecomasculine folk culture of indigenous India The author argues that in opposition to the culture of cancelling masculinity a habitable masculinity may be unfolded in order to enhance the social habitability of individuals irrespective of their gender and sexuality It deploys social media film music literature folk narratives and personal interviews as a means of interconnecting qualitative and quantitative methodologies The book will be useful for students researchers and teachers from the fields of Gender Studies Media Studies Sociology and Cultural Studies It will also appeal to those interested in the culture of masculinities in India

Performance and Human-Animal Entanglements Anna Wieczorkiewicz,Sylwia

Siedlecka,2026-02-12 The volume explores how nonhuman animal lives are entangled with human interests conflicts and desires highlighting the role of performance in these interactions Drawing on diverse case studies it unfolds across four thematic sections Training Animals Show Machines Artistic Experiments and Political Conflicts The book benefits readers by sharpening ethical and critical awareness of how animals are entangled in human culture from circuses and museums to art games and social media Its key features are a strongly comparative interdisciplinary approach and a focus on less studied regions and practices It delivers these benefits through carefully structured thematic sections and rich case studies that reveal hidden mechanisms of representation exploitation and interspecies exchange The book can be read as a coherent whole tracing different dimensions of human animal entanglements but each chapter also functions as a self contained case study The book is aimed at scholars students and activists in cultural and animal studies performance and media studies and

related fields as well as anyone interested in ethics and human animal relations
