The advertisement is a vertical rectangular graphic with a dark blue background. At the top, there are two TikTok logos: one on the left and one on the right. Between them, the letters 'USA' are written in a large, white, stylized font. Below this, the text 'TIKTOK AGENCY ACCOUNT' is written in a bold, red, sans-serif font. Underneath that, a red rectangular box contains the text 'YOU WILL GET:' in white. To the left of this box, there is a list of four items, each preceded by a red checkmark: 'All Country Account', 'No Agents Tax', 'No Suspension Issue', and 'Tiktok Shop / Ads'. To the right of the list is a circular graphic of the American flag. At the bottom right of the graphic, the text 'CONTACT NOW' is written in a bold, white, sans-serif font.

Practice Yngve Benestad Hågvar, Harald Hornmoen, Jørgen Alnæs, 2025-11-28 Narrative Theory in Journalistic Practice provides innovative analytical frameworks for examining journalistic narratives in today s digital multimodal media landscape The volume expands beyond traditional models focused on linear texts to address contemporary formats across multiple platforms Through empirical analyses of genres such as immersive long form stories live news reports social media news podcasts and still images the book explores the dual function of journalistic narratives they are suited to engage readers in

both trivial and complex events and issues but will also advance certain interpretations of reality and downplay others The book conveys a critical and constructivist view on narratives showing how journalistic stories contribute to shaping people's understanding of reality but also how media users play an active role in interpreting the narratives The volume will interest students and scholars of journalism media studies and narrative studies It is intended for use by graduate students as well as by established researchers

Trafficking Data Aynne Kokas, 2023 In *Trafficking Data* Aynne Kokas looks at how technology firms in the two largest economies in the world the United States and China have exploited government policy and the lack thereof to gather information on citizens putting US national security at risk Kokas shows how US corporations influence on tech regulation paved the way for exploitative data gathering not just by US corporations but by Chinese corporations as well To resolve this issue in the US requires changing foundational values not just in the tech ecosystem but in the relationship between industry and government in the United States
