Gmail Today Returns:

The Point of No Return Neil Broadfoot, 2020-09-03 Tense fast moving and bloody Broadfoot's best yet Mason Cross A true rising star of crime fiction Ian Rankin Beautifully crafted There's no filler no exposition just action dialogue and layering of tension that'll hold you breathless until the very end Helen Fields How far would you go to find the truth After more than a decade of being in prison for the brutal murder two Stirling University students Colin Sanderson has been released after his conviction was found to be unsafe Returning home to a small village not far from Stirling Sanderson refuses police protection even in the face of a death threat But the PR firm that has scooped him up to sell his story does know of a protection expert in Stirling They want Connor Fraser Connor reluctantly takes the assignment partly as a favour to DCI Malcolm Ford who is none too keen to have Sanderson on the loose particularly as he was involved in the original investigation that saw him imprisoned When a body is found mutilated in the same way as Sanderson's victims were all eyes fall on the released man But how can he be the killer when Connor's own security detail gives him an alibi As Connor races to uncover the truth he is forced to confront not only Sanderson's past but his own and a secret that could change his life forever Praise for Neil Broadfoot Wonderfully grisly and grim and a cracking pace James Oswald A frantic pace read with a compelling hero Steve Cavanagh Broadfoot is here and he's ready to sit at the table with some of the finest crime writers Scottish fiction has to offer Russel D McLean Crisp dialogue characters you believe and a prose style that brings you back for more a fine addition to a growing roster of noir titles with a tartan tinge Douglas Skelton This is Broadfoot's best to date a thriller that delivers the thrills energetic breathlessly pacey and keeping you guessing till the end Craig Russell Neil Broadfoot hits the ground running and doesn't stop With the very beating heart of Scotland at its core your heart too will race as you reach the jaw dropping conclusion of this brilliant thriller First class Denil Meyrick A deliciously twisty thriller that never lets up the pace Thrills spills chills and kills Donna Moore An explosive gripping page turner with dark and utterly twisted murders Simply brilliant Danielle Ramsay An atmospheric twisty and explosive start to a new series by one of the masters of Scottish fiction Get your wee mitts on it Angela Clarke No Man's Land is a stunning fast paced multi layered thriller Disturbing political unrest and psychological horror written with great confidence by Neil Broadfoot who has one hand on Ian Rankin's crown as the king of Scottish crime Michael Wood A gritty and fast moving tale of shifting loyalties set against the backdrop of Scottish and Irish politics Nick Quantrill Definitely a must read for all lovers of Tartan Noir or anyone else who simply wants to enjoy a compelling tale Undiscovered Scotland

Google Apps Hacks Philipp Lenssen, 2008 Google is challenging the venerable Microsoft Office suite with its own Web based office applications This book offers scores of clever hacks and workarounds that enable power users to get more out of various applications

Data-Driven Decision Making in Entrepreneurship Nikki Blacksmith, Maureen E. McCusker, 2024-04-02 Since the beginning of the 21st century there has been an explosion in startup organizations Together these organizations have been valued at over 3 trillion In 2019 alone nearly 300 billion of

venture capital was invested globally Global Startup Ecosystem Report 2020 Simultaneously an explosion in high volume and high velocity of big data is rapidly changing how organizations function Gone are the days when organizations can make decisions solely on intuition logic or experience Some have gone as far as to say that data is the most valuable currency and resource available to businesses and startups are no exception However startups do differ from their larger counterparts and corporations in three distinct ways 1 they tend to have fewer resources time and specialized training to devote to data analytics 2 they are part of a unique entrepreneurial ecosystem with unique needs 3 scholarship and academic research on human capital data analytics in startups is lacking Existing entrepreneurship research is primarily conducted in business schools There needs to be more integration of industrial organizational psychology and entrepreneurship This book was designed to do just that to demonstrate how organizational psychology with a focus on human capital data and analytics can advance the science and practice of entrepreneurship This book is purposefully designed to address the unique idiosyncrasies of the science research and practice of startups and the entrepreneurial ecosystem Each chapter takes a science practice perspective highlighting a specific human capital management topic e g learning and development team effectiveness human capital due diligence and discusses how leveraging data can help enhance decision making The volume is grounded in sound theory and practice of organizational psychology entrepreneurship and management It is divided into three parts 1 human capital assessment and development for startups 2 understanding startup situations environments and support systems and 3 measuring startup level performance

Return to Orchard Canyon Ken McElroy, 2019-12-10

Return to Orchard Canyon a Business Novel Unlike any other business book Return to Orchard Canyon will get you thinking and working toward a future you once thought was just a pipe dream This is the story of David Reynolds his father Ron and his daughter Meghan Through these unlikely teachers you ll discover a path to understanding the plight of modern day life A life you yourself may be living and questioning So many people are feeling trapped and uncertain as their life unfolds How exactly did your dreams pass you by No matter who you are how old you are or where you are in life you can find that place of youthful energy and excitement again It starts by returning to your own Orchard Canyon Sometimes the best thing you can do in business and in life is to reinvent yourself To go forward and embrace something new Or return to an earlier time and capture a dream that has eluded you Sometimes that truth comes to you against your will From unusual sources When you least expect it Destiny happens with or without your consent Journey with us to Orchard Canyon a real place tucked between the red rocks of Sedona Arizona and the picturesque Oak Creek Once there you may discover that what was old is new and what you thought was impossible in your life can really happen If you let it Return to Orchard Canyon is a story that vividly captures the real feelings too many people have today A sense of working for a paycheck giving up their lives to make a living and throwing any dreams they may have had aside as impractical impossible A trade off for survival Return to Orchard Canyon dispels the myth that living means sacrificing and replaces it with the reality that our nation was built on the backs of

dreamers who took risks Why not you Why not today Why not return to your own Orchard Canyon Inspiring and actionable this book will show you the way **Lifehacker** Adam Pash,Gina Trapani,2011-06-03 A new edition packed with even more clever tricks and methods that make everyday life easier Lifehackers redefine personal productivity with creative and clever methods for making life easier and more enjoyable This new edition of a perennial bestseller boasts new and exciting tips tricks and methods that strike a perfect balance between current technology and common sense solutions for getting things done Exploring the many ways technology has changed since the previous edition this new edition has been updated to reflect the latest and greatest in technological and personal productivity The new hacks run the gamut of working with the latest Windows and Mac operating systems for both Windows and Apple getting more done with smartphones and their operating systems and dealing with the evolution of the web Even the most tried and true hacks have been updated to reflect the contemporary tech world and the tools it provides us Technology is supposed to make our lives easier by helping us work more efficiently Lifehacker The Guide to Working Smarter Faster and Better Third Edition is your guide to making that happen Return to Play in Football Volker Musahl,Jón Karlsson,Werner Krutsch,Bert R.
