**The NHL's Mistake by the Lake** Gary Webster,2021-09-23 The Cleveland Barons should never have existed Born when the National Hockey League s California Golden Seals another team that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn t really want it

**The Future** Tab Bamford,2025-02-11 A fascinating inside look at one

of the most highly anticipated rookie seasons in NHL history When the Chicago Blackhawks selected Connor Bedard with the first overall pick in the 2023 NHL draft it was the culmination of months if not years of unrestrained hype For the Original Six franchise nearly a decade removed from a dynastic run of Stanley Cup successes Bedard represented nothing less than the foundation for future glory The 17 year old centre from North Vancouver had long been projected as a generational talent tearing up the junior level WHL and garnering comparisons to Connor McDavid and Sidney Crosby Now it was time to compete head to head with those superstars and step into the lofty prophecies others had written for him Through extensive reporting in Chicago and beyond Tab Bamford chronicles one of the most highly anticipated rookie seasons in modern hockey following Bedard s Calder Trophy campaign on the ice and the pressurized environment that lingered off it Encompassing exalted expectations untimely injuries countless highlight reel goals and the fevered omnipresent media landscape Bedard s inaugural season provides a thrilling and expansive portrait of today s NHL

**The 1993 Canadiens** K.P. Wee,2020-01-26

Never to be confused with any previous Montreal Canadian Flying Frenchmen juggernauts who dominated the NHL between the 1950s and 1970s the 1992 93 Canadiens whose lone superstar was future Hall of Fame goaltender Patrick Roy were essentially a nondescript team coming off an embarrassing second round playoff series sweep against the Boston Bruins the previous spring Yet these Habs led by the goaltending of Roy and with timely goals from various unlikely heroes stunned the hockey world by winning a record 10 consecutive playoff overtime games over a magical seven week run during the spring of 1993 Montreal ultimately captured hockey s ultimate prize that June the 24th championship in franchise history in the last Stanley Cup Finals series ever played at the venerable Montreal Forum While the Canadiens had veteran presence in Kirk Muller Vincent Damphousse Brian Bellows Denis Savard and Guy Carbonneau Montreal might not have won the Cup without unlikely heroes like Gilbert Dionne Stephan Lebeau and Paul DiPietro scoring goals in the clutch Others such as Gary Leeman and Mario Roberge despite not always being in the lineup contributed in

ways that didn't necessarily show up on the scoresheet And behind the bench while Jacques Demers made all the right moves that spring he isn't even considered today among the top 50 coaches of all time More than a quarter century later these Habs remain the last Canadian based team to win the Cup and in The 1993 Canadiens Seven Magical Weeks Unlikely Heroes and Canada's Last Stanley Cup Champions K P Wee relives the story of this incredible season
