Up Stop Whining and Get a Life Winget takes the same principles and expands the lessons with brand new examples stories and added wisdom It may sound ruthless but your life is your own fault and if you shut up stop whining and take action you can create a better life [The Idiot Factor](#) Larry Winget,2009-12-29 Read Larry Winget s posts on the Penguin Blog The Pitbull of Personal Development and New York Time bestselling author is back with advice on the dumb things people do to sabotage their success What do people really want They want what they ve got It s a simple formula You have what you want because your actions produced your results Not your words and certainly not your wants In his signature caustic yet lovable style Larry Winget dishes out straight talk on what he calls life s messes and offers sound simple solutions Taking on business family health being fat being stupid success money and more Larry Winget points out exactly which changes have to take place in order for people to turn their lives around A little bit of business a little bit of personal development a little finance a little parenting a little health and wellness The Idiot Factor will help anyone identify his or her own areas of stupidity and take action to finally achieve real success

[No Time for Tact](#) Larry Winget,2010-09-07 A daily kick in the pants from the Pitbull of Personal Development r and Wall Street Journal BusinessWeek and New York Times bestseller Larry Winget In these uncertain times America needs a straight talk dose of Larry Winget reality more than ever No Time for Tact is a boot camp version of the thought of the day calendar the ultimate wake up call for anyone who s looking for a lifeline and true empowerment With an eye catching design this book is packed with memorable gems such as Stress comes from knowing what is right and doing what is wrong When people say Let me be honest with you it means in the past they haven t been If you are unhappy unsuccessful broke or sick please just keep it to yourself The rest of us don t want to hear it so don t feel compelled to share Training is expensive Books are expensive Going to seminars is expensive Being stupid is even more expensive Blending longer observations with signature Winget quips No Time for Tact is the perfect way to jump start each day

[It's Called Work for a Reason](#) ,2010 **[Money Raising Masterclass](#)** Norman Meier,2020-05-17 There are a total of 46 8 million millionaires worldwide at the beginning of the year 2020 and they collectively own approximately 158 3 trillion There are millions of millionaires in the world and the number is increasing with each year The only question that you should ask yourself is why you are not one of them yet How did those people become millionaires or even billionaires Did they have a great 9 to 5 job that paid them really well Most definitely not They are all business owners and own shares of their own public company No one becomes a billionaire by simply earning a salary from a job each year People become wealthy by owning a significant share position in a company that is listed in the stock market But how did they start out How do you become a multi millionaire They all started with a business idea Then they incorporated a corporation issued shares for themselves and raised money from investors Eventually they took the company public in the stock market and it was valued at several hundred millions of dollar I have raised 40 million in 2 5 years from 500 investors and his company was valued at over 300 million in the stock market Actually I raised over 400 million from private investors and 600 million from

institutional investors in my career since 1995 But the goal of this book is to teach you the things that you need to know to raise the first one or two million dollars by yourself so that you can take your company public in the stock market and attract millions more afterwards This book will teach you everything about this process and how I have done it
