

# Sage Survival guide

21 essential tips for surviving Web Summit

eWebSummit

#1

**Publish your elevator pitch before the Summit.** There will be lots of opportunities to meet, connect, catch others and talk about your business at Web Summit.

#3

**Get a good map.** Ireland isn't the flattest country, and it's somewhat odd inside the main ICCS hall, especially first thing each morning.

#5

**Make allowances for time spent getting to and from Summits.** The ICCS Dublin Web Summit takes place in a busy part of Dublin city and the roads will be congested each morning and evening.

#7

**Check in on Monday.** As people check in during the first morning there will be queues. However, you can avoid waiting by checking in on Monday between 09.00 and 20.00.

#9

**Choose your company.** If you're attending with a colleague, this day you and your team will be able to see more of Web Summit and network with other attendees.

#11

**Take a batch of business cards.** There will be opportunities to grab them out during the event. Business cards will ask you about your business.

#13

**Follow our Twitter list of Web Summit speakers.** Remember many of these speakers will tweet you with their agenda, and they will make their slides publicly available.

#15

**Summit tickets give you a meeting and dinner access.** Good (think smoked salmon, Irish special food, with traditional farmhouse chicken) for lunch.

#17

**Arrive early for the evening talks in the main hall.** They're some of the most popular talks of the day, and the main hall fills up quickly before these begin, particularly after lunch.

#19

**Follow the Web Summit @WebSummit and Sage @SageSummit.** This way you can keep up to date with what's happening in Dublin and discover the best content coming out of Web Summit.

#21

**Or Chicago.** Sage Summit is the biggest small and medium business conference in the world. It also has the biggest medium and large business topics ... all in the Windy City.

#2

**Wear comfortable shoes.** Web Summit is broken up into various smaller sessions, and there's a lot of walking between each one. Expect to spend time on your feet.

#4

**Check out the day of speakers before you arrive.** You can use your business by using the schedule. Stephen Kelly CEO of Sage will be on the Enterprise stage on 3rd November at 14.00 GMT.

#6

**Don't forget your ticket.** You'll also need to bring a photo ID for the event organisers know you are and your bag goes in.

#8

**Make time to network.** Where possible arrange meetings with fellow attendees and speakers in advance as the event will be crowded. There are lots of people attending from abroad and we would love to meet you at Web Summit.

#10

**Bring your phone and laptop charger.** It's a good idea to bring portable or mobile internet access, too, as WiFi isn't used at Web Summit last year.

#12

**Follow these hashtags** to keep up with all things at Web Summit: #WebSummit #SageSummit #SageFuture

#14

**Watch how the experts do it.** Do you present a lot or want to improve your skills? Web Summit includes some of the best business presentations in the world, and it's the perfect place to study the masters at work.

#16

**Get a good bag.** A lot of the exhibitors give an eye out for Sage, we've got the best stuff we want to give you like gifts like notepads and USB sticks. And coffee. There will be lots of free coffee.

#18

**Explore Dublin.** If you're staying near Web Summit, you could go out for an early morning run or enjoy a pint of Guinness after the event.

#20

**Plan for Lisbon in 2016.** This is the Web Summit's last year in Dublin for the foreseeable future. Bye Bye, Ireland. Hello Portugal!
