program has produced a hybrid slave race that isn't aware of its true origins or fate. Few know that these shadow puppeteers are actually in control or that they even exist. They are not human but then again neither are we. As the epic battle of consciousness expands into the outer dimensions we know that one thing is for certain. When the Liberty Bell rings once again their empire will be reduced to a heap of ashes. There will be an army of forces backed by the highest of forces in the heavens which will conduct this re-awakening of the masses. This story recounts the takeover of planet Earth by the Snake of Zion and shares everything you need to know to be truly free. The battleground is within each of us and our captors are but a reflection of humanity. Unless we change ourselves how will the reflection be changed. Hopefully after this enduring encounter deep into the rabbit hole you will realize how this reality has been manipulated by forces in the fourth dimension. In order to succeed we must propel ourselves through the heart chakra and into the fifth dimension where the beloved Terra will find the peace and dignity that she deserves. The fate of the world hangs in the balance. All we have to do now is make a choice.

A New Order of the Ages Collin Robert q Bowling, 2011-08-01. Evil has been discharged hither and thither and as a result a war is being waged between the Light and the Dark. Powerful occult reptilian bloodlines have commandeered the corporate mass media and the military industrial complex. The everyman no longer a free entity. Why these torturing gifts and wherefore lent to the people. No reason except for the desire to dominate and suppress. It is an inkling the beasts of prey within man and reptile cannot control. Secret societies are the gatekeepers to a much greater secret that encompasses extraterrestrials and cultures spanning across dimensions. The labyrinth has already been entered. Next stop a closer inspection at money and the big business of Big Brother. Are there more cards up the magician's sleeve. Only one and that is the possibility for enlightenment.

The Rise of the Kingdom of Heaven, Volume 1 (Paperback) Gerhard Alm, 2008-10-25. Living in a Hippie Community in the Australian rainforest I in January 1992 started to write about my visions and spiritual experiences. I described ten places in our heads as homes of the human spirit. There are many publicly known people who are involved in the move of the Earth to a higher dimension in 2013. More than 200 000 people live on Earth and at the same time on a parallel world which is a home for immortal people. The evangelist John spoke with a Cross of Light. I believe that a new Cross of Light will appear on Earth soon. In July 1979 I met the devil and his wife on the inner German border. I name some people who have been the devil of previous Earth like planets in older universes. Alex Collier wrote in '95 that since my 40th birthday on 3.23.1994 vibrations leave all black holes of our local universe changing its nature lifting all planets into higher dimensions. I believe these frequencies come from the Immortals living on Earth now including me.

The Rescue George Romero, 2011-03-18. The Rescue is not a science fiction book. It is a book about ancient and modern events. It took a lot of guts to write this book and perhaps you could do with even more courage to read it. Probably the intellectual will call it nonsense. Since his intellect do not match the freethinking of a non-academic writer. Without a doubt he will place this book on the Index of books never to mention. Undoubtedly other readers with open arms will accept it and recognize it as an amazing narration.
