The Voice of Israel ,1845 **Israelology - The Birthright, House of Israel, Kingdom, and Sons of God** Paul H. Andree, III,2008-03-29 The Houses of Israel and Judah dominate the scriptures from the time of King David until they both were sent into captivity Each House had a destiny to fulfill These destinies are being worked out today What drives the destiny of these Houses The Birthright is a term that many in the Church are aware of but without an understanding of its presence throughout the scriptures It is manifested as the Dominion Mandate and the Fruitfulness Mandate through the Houses of Israel and Judah What are the implications for the coming Kingdom of God and the Sons of God We cannot know or comprehend this answer unless we understand the many foundational scriptures and concepts that establish God s Heart and Plan for the last days This study will challenge each person to be teachable and open to another perspective of God s Plan for Redemption God will reveal His Plan for you and your place in His Coming Kingdom God is maturing His Believers to rule and reign with Him *A Concordance of the Proper Names in the Holy Scriptures* Thomas David Williams,1923 **The Voice of Israel, ed. by R.H.
