Wee Gillis Munro Leaf, 2006-05-30 A Caldecott Honor Book by the creators of the beloved Story of Ferdinand Wee Gillis lives in Scotland He is an orphan and he spends half of each year with his mother s people in the lowlands while the other half finds him in the highlands with his father s kin Both sides of Gillis s family are eager for him to settle down and adopt their ways In the lowlands he is taught to herd cattle learning how to call them to him in even the heaviest of evening fogs In the rocky highlands he stalks stags from outcrop to outcrop holding his breath so as not to make a sound Wee Gillis is a quick study and he soon picks up what his elders can teach him And yet he is unprepared when the day comes for him to decide once and for all whether it will be the lowlands or the highlands that he will call his home Robert Lawson and Munro Leaf s classic picture book is a tribute to the powers of the imagination and a triumph of the storyteller s and illustrator s art
