Welding S In Urdu:

Marginalities and Mobilities among India's Muslims Tanweer Fazal, Divya Vaid, Surinder S. Jodhka, 2023-07-19 This book studies how marginality impacts the everyday lives of Indian Muslims. It challenges the prevailing myths and stereotypes through which Indian Muslims have come to be seen in the popular imagination. The volume engages with questions of citizenship, collective violence, and issues of civil and criminal jurisprudence. It explores the linkages between development, marginality, and citizenship, the three critical issues for modern democracies today. Going beyond the singular narrative of a community on a continuous slide, the chapters in this volume present diversities of the Muslim experience of exclusion and participation. It discusses themes such as violence and marginality among minorities, Indian Muslims and the ghettoized economy, employment aspirations of low income Muslim men, intergenerational social mobility of Muslims, the nature of the middle class, and the question of Islam, development, and globalization to showcase the living conditions of Muslims in India. Part of the Religion and Citizenship series, this timely volume will be an essential read for scholars and researchers of political studies, sociology, political sociology, minority studies, public policy, religion, citizenship studies, diversity, and inclusion studies, and social anthropology.
