Matthew Vines

Welcoming But Not Affirming An Evangelical Response To Homosexuality:

Welcoming But Not Affirming Stanley James Grenz,1998-01-01 A respected evangelical speaks out on the church's most controversial issue proposing that it is possible for Christian communities to welcome homosexuals without affirming same sex unions

Welcoming but not affirming : an evangelical response to homosexuality Stanley Grenz,1998

The Scandal of Evangelicals and Homosexuality Mark Vasey-Saunders,2016-03-09 English evangelicals give the appearance of being a community at war with each other and with the world around them The issue of homosexuality is one of the key battlegrounds How has this issue become so significant to evangelicals Why is it provoking such violent responses How is it changing evangelicals and what might this mean for the future This book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future The Scandal of Evangelicals and Homosexuality offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate

God and the Gay Christian Matthew Vines,2015-06-16 2025 REVISED AND

EXPANDED EDITION The landmark book exploring what the Bible actually says and doesn't say about same sex relationships As a young Christian man Matthew Vines harbored the same basic hopes of many young people to one day share his life with someone to build a family of his own to give and receive love But when Vines realized he was gay those hopes were called into question The Bible he'd been taught condemned gay relationships Feeling the tension between his understanding of the Bible and the reality of his same sex orientation Vines devoted years to intensive research into what the Bible says about homosexuality He asked questions such as What was the real sin of Sodom What did Paul have in mind when he wrote about same sex relations Is mandatory celibacy biblical Can same sex marriage fulfill Scripture's vision for marriage Accessibly written and carefully argued this expanded edition of God and the Gay Christian includes an updated introduction two new chapters and two new appendices In the book Vines engages with leading critiques of his work and shows readers how affirming same sex relationships can go hand in hand with maintaining moral boundaries and upholding an orthodox Christian faith

Happy: LGBTQ+ Experiences of Australian Pentecostal-Charismatic Christianity Mark Jennings,2023-01-01 This book relates the unique experiences of Lesbian Gay Bisexual Transgender and Queer Questioning LGBTQ people in Australian Pentecostal Charismatic Christian churches Grounded in the theoretical contributions of Michel Foucault Judith Butler Lewis Coser and others the book exposes the discursive battleground over the truth of sex which underlies the participants stories These rich and complex narratives reveal the stakes of this conflict manifested in the line a

barrier restricting out LGBTQ people from full participation in ministry and service Although some participants related stories of supportive if typically conservative congregations where they felt able to live out an authentic integrated faith others found they could only leave their formerly close and supportive communities behind counter rejecting the churches and often the faith that they felt had rejected them **The Westminster Handbook to Evangelical Theology** Roger E. Olson,2004-01-01 The Westminster Handbook to Evangelical Theology is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to and be a reference work for the study of evangelicalism s distinctive theological vision in its unity and diversity Roger Olson explores evangelical theology through five lenses The Story of Evangelical Theology Movements and Organizations Related to Evangelical Theology Key Figures in Evangelical Theology Traditional Doctrines in Evangelical Theology and Issues in Evangelical Theology The Westminster Handbook to Christian Theology series provides a set of resources for the study of historic and contemporary theological movements and Christian theologians These books are intended to help students and scholars find concise and accurate treatments of important theological terms **Homosexuality Biblical Interpretation**

Willard M. Swartley,2003-06-06 Grounded in a lifetime of biblical study New Testament scholar Willard M Swartley takes a fresh look at the Scriptures and what they would teach on the current and controversial subject of homosexuality In a spirit of love and generosity Swartley presents all sides of the issue drawing from contemporary scholarship and cultural analysis He concludes with a model for congregational discernment and suggestions for the path forward *The Church and Same-sex Marriage* Ronald Nicolson,2008 **Alister E. McGrath and Evangelical Theology** Sung Wook Chung,2003

Alister McGrath is one of the premier evangelical theologians of our day In this book leading evangelical scholars including Gabriel Fackre John Frame William Abraham Gerald Bray and Clark Pinnock use McGrath s work as a lens through which to offer a contemporary assessment of evangelical theology The volume sets McGrath in context and argues that a dynamic brand of evangelical theology such as what his thinking represents is necessary for the evangelical wing of the church to be semper reformanda always reforming Chapters focus on the essence identity strengths weaknesses and future of evangelical theology offering a snapshot of a movement in transition **The Bible and Homosexual Practice** Robert A. J.

Gagnon,2001 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality His strong and clearly articulated argument establishes that the Bible contains a unanimous witness defining same sex intercourse as sin He does so while rigorously engaging biblical scholars and historians who have written both for and against this understanding of same sex intercourse In addition he demonstrates systematically why attempts to classify as irrelevant for our contemporary context the Bible s rejection of same sex intercourse fail to do justice to the biblical texts His conclusions are clear and compassionate as he cautions readers on all sides of the debate against a truncated gospel and challenges all to strive for a holistic view of the command to love God and neighbor Married in the Sight of God Christian Batalden
