American Historical Review is the oldest scholarly journal of history in the United States and the largest in the world
Published by the American Historical Association it covers all areas of historical research *The English Historical Review*

Review** Arthur Cayley Headlam, 1885 **Gaming Democracy** Adrienne L. Massanari, 2024-10-29 How play and gaming
culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far
right has gone mainstream In Gaming Democracy Adrienne Massanari tracks the flames of toxicity found in the far right and
alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to
the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley's emphasis on
meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media
spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to
game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such
as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both
technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent
Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of
community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well
as the concept of metagaming Gaming Democracy is a novel contribution to our understanding of online platforms and far
right political activism **Church Quarterly Review** ,1885 **The Classical Review** ,1910 This companion to the
Classical Quarterly contains reviews of new work dealing with the literatures and civilizations of ancient Greece and Rome

Martyna Gliniecka, 2024-12-27 Youth Digital Health and Online Platforms focuses on young people's use of the digital
platform Reddit for health Drawing upon dialogism theory the book explores how young people produce a youth led discourse
of youth digital health different from the adult led framing represented in youth digital health research policy and service
delivery Peer led discussions online remain one of the controversial forms of youth digital health associated with negative
peer influence or casual teenage talk This book argues that online peer led dialogues support young people's agency in
health and that young people can benefit from dealing with health issues with peers The work is based on the digital
ethnography of teenagers subreddits on Reddit and utilises a theoretical framework of dialogism a linguistic based theory
originated by an early 20th century Russian philosopher Mikhail Bakhtin The book introduces the concept of dialogical youth

led youth digital health discourse formed in the peer led space of Reddit This youth led discourse celebrates equality and diversity amongst people meanings and opinions It is constructed around three relational elements socio material affordances creative practices and a plurality of youth voices Reddit s pseudonymous anti authoritarian and egalitarian nature supports the emergence of this youth led discourse The book can interest scholars and lecturers in childhood and youth studies Internet studies and youth health studies Professionals such as policymakers service designers deliverers online safety educators and global youth and health agencies can use evidence based insights in their work with young people

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
