**Wolfgang Ohneck**

## Tagesprogramm 9 August 1936:

**Begehrte Körper** Daniel Wildmann,1998      [Different Drummers](#) Michael H. Kater,2003-03-13 When the African American dancer Josephine Baker visited Berlin in 1925 she found it dazzling The city had a jewel like sparkle she said the vast caf s reminded me of ocean liners powered by the rhythms of their orchestras There was music everywhere Eager to look ahead after the crushing defeat of World War I Weimar Germany embraced the modernism that swept through Europe and was crazy over jazz But with the rise of National Socialism came censorship and proscription an art form born on foreign soil and presided over by Negroes and Jews could have no place in the culture of a master race In Different Drummers Michael Kater a distinguished historian and himself a jazz musician explores the underground history of jazz in Hitler s Germany He offers a frightening and fascinating look at life and popular culture during the Third Reich showing that for the Nazis jazz was an especially threatening form of expression Not only were its creators at the very bottom of the Nazi racial hierarchy but the very essence of jazz spontaneity improvisation and above all individuality represented a direct challenge to the repetitive simple uniform pulse of German march music and indeed everyday life The fact that many of the most talented European jazz artists were Jewish only made the music more objectionable In tracing the growth of what would become a bold and eloquent form of social protest Kater mines a trove of previously untapped archival records and assembles interviews with surviving witnesses as he brings to life a little known aspect of wartime Germany He introduces us to groups such as the Weintraub Syncopators Germany s best indigenous jazz band the Harlem Club of Frankfurt whose male members wore their hair long in defiance of Nazi conventions and the Hamburg Swings the most daring radicals of all who openly challenged the Gestapo with a series of mass dance rallies More than once these demonstrations turned violent with the Swings and the Hitler Youth fighting it out in the streets In the end we come to realize that jazz not only survived persecution but became a powerful symbol of political disobedience and even resistance in wartime Germany And as we witness the vacillations of the Nazi regime while they worked toward its ultimate extinction they used jazz for their own propaganda purposes we see that the myth of Nazi social control was to a large degree just that Hitler s dictatorship never became as pure and effective a form of totalitarianism as we are sometimes led to believe With its vivid portraits of all the key figures Different Drummers provides a unique glimpse of a counter culture virtually unexamined until now It is a provocative account that reminds us that even in the face of the most unspeakable oppression the human spirit endures

**The Reception of Grabbe's Hannibal in the German Theatre** Margaret Anne Sutherland,1984 After publication in 1835 Grabbe s Hannibal was overlooked by the theatre until this century Because the drama does not lend itself easily to stage production a number of adaptations were printed these are analysed and their merits and shortcomings evaluated The history of all productions is then viewed against the background of Germany s political and cultural history from 1918 to 1958 examining in detail the approaches of such producers as Jessner Martin Schmitt and Schalla and their audience impact

This analysis in turn sheds light on essential qualities of Hannibal  
Programm zum Jahresberichte des k. k. ersten  
Staats-Gymnasiums in Graz Akademisches Gymnasium (Graz, Austria),1920  
Popular Musical Theatre in London and  
Berlin Len Platt,Tobias Becker,David Linton,2014-09-25 This is the first book to reconstruct early popular musical theatre as  
a transnational and highly cosmopolitan entertainment industry  
Nationalsozialistische Partei-Korrespondenz

Nationalsozialistische Deutsche Arbeiter-Partei,1936  
**Notes on the Trapp Family in Austria** Frederick S.  
Litten,2023-04-26 This study is about the real Austrian Trapp family until 1939 Using scores of contemporaneous sources this  
fully referenced book for the first time presents Maria Trapp s own family the Kutscheras the Reiners and her foster family  
the Kramers Moreover the first chapter critically analyzes Maria s tales about her childhood and youth up to her wedding  
with Georg von Trapp The second chapter covers Georg his family his activities in war and business as well as the family  
choir started in 1934 Several misconceptions from Georg having been a baron to his alleged anti fascism get corrected here  
too The third chapter overturns the central myth of the Trapp family story there is no evidence that the Trapps ever received  
offers by the Nazis or resisted them on the contrary Georg unsuccessfully tried to solicit business in Germany Nor were the  
Trapps in danger of persecution or fled from Austria Filled with details as well as context this book is different from  
everything you have ever seen heard or read about the Trapp family But please note that this book is not about the  
adaptations of the family s stories such as The Sound of Music nor does it contain illustrations

**Das Programm der NSDAP. wird erfüllt!** Alfred Himstedt,1941

**Die französische Algerienpolitik von 1919-1939** Wolfgang Ohneck,1967  
Zeitschrift für bayerische  
Landesgeschichte ,1994  
**Reactionary Nationalists, Fascists and Dictatorships in the Twentieth Century** Ismael  
Saz,Zira Box,Toni Morant,Julián Sanz,2019-07-23 This book provides a comparative study of fascisms and reactionary  
nationalisms It presents these as transnational political cultures and examines the dictatorships and regimes in which these  
cultures played significant roles The book is organised into three main sections focusing on nationalists fascists and  
dictatorships in turn The chapters range across French Italian Spanish Portuguese and German experiences and include a  
broader overview of the political cultures in Central and Eastern Europe as well as Latin America The chapters consider the  
identities organizations and evolution of the various cultures and specific political movements alongside the intersections  
between these movements and how they adapted to changing contexts By doing so the book offers a global view of fascisms  
and reactionary nationalisms and promotes debate around these political cultures
