unrestrained by history and the known facts Contributors include Carol Anne Davis Martin Edwards Peter Guttridge Barbara Nadel Alvaro Zinos Amaro and Sally Spedding Jack the Ripper has appeared in a number of novels as the lead character in some beginning with Marie Belloc Lowndes's *The Lodger* 1913 filmed by Hitchcock Authors as diverse as Michael Dibdin Lindsay Faye Philip Jose Farmer Robert Bloch Harlan Ellison Alan Moore Fredric Brown Ramsey Campbell and Colin Wilson have all used poetic licence to revive the notorious killer The varied stories in this fantastic new collection continue this tradition with many possible identities put forward some already suggested by historians others more speculative including famous names from history and fiction Even Sherlock Holmes is on the case

Prince Jack: The True Story of Jack The Ripper Frank Spiering, 1980

The Five Hallie Rubenhold, 2019 Miscast in the media for nearly 130 years the victims of Jack the Ripper finally get their full stories told in this eye opening and chilling reminder that life for middle class women in Victorian London could be full of social pitfalls and peril

Prince Jack Frank Spiering, **The Sexist Microphysics of Power** Nerea Barjola, 2024-05-07 A groundbreaking feminist text that frames our obsession with true crime as a form of sexual terror In 1992 three teenage girls went missing from the small town of Alcázar in Valencia Spain while on their way to a nightclub in a case whose strangeness and brutality

continues to draw popular speculation decades later Feminist theorist Nerea Barjola retraces the high profile search to find them and the media frenzy of the ensuing trial to explore our cultural fascination with the harm done to women s bodies The graphic rehearsal of the details in news and media fuels cautionary tales of sexual danger that induce in women a mental map of places they can and cannot go the activities they dare not do Rape is not an individual crime but the expropriation of the female body a threat leveled against a class of potential victims that shifts the burden of staying safe onto their own internalized policing This Barjola argues is the frontline for female transgression freedom and resistance Offering a feminist take on Giorgio Agamben s concept of bare life this riveting case study identifies spaces where women cross beyond social limits a house a party a car into a place where danger is all but inevitable where the state of exception turns into the scene of the crime The Sexist Microphysics of Power builds on Judith Butler s work on performativity Michel Foucault s thinking on the day to day operations of power and Silvia Federici s analysis of the witch hunt to propose a paradigm shift in our understanding of the systemic impact of gender violence and of a culture the relishes in its lurid repetition In 2021 the Spanish government awarded the book a national distinction for the significance of its research for social transformation
