worked on making peace with this part of themselves This wounded darker side is often what leads them to their true calling in life even if they aren't exactly sure how or where to help Whether their role in life is modest or huge every Lightworker is a bridge between this world and the hereafter And whether they lead a throng of people or one at a time the goal is to bring others to a higher state of living and loving So what kind of Lightworker are you Are you a newly awakened Lightworker who wants to be of service somehow Or are you a long time Lightworker who came into this life knowing who you are and what you need to do Are you ready and eager to jump into your role Have you been a helper and healer for some time Or have you hidden this very important part of yourself from the world out of fear or uncertainty Wherever you are on your journey I'm so glad that you've made the decision to explore and embrace your true calling in life The world needs you
