Murray Murdoch,1979 I determined to write a devotional biography In no sense is this volume a critical analysis of the man's theology or his actions Instead it is the account of an Allegheny mountain farmboy with a limited education and a severe physical handicap who promised God the only thing he had to offer obedience Each experience in Dr Ketcham's life reinforced the principle that obedience is all God expects from anyone The story of Robert Thomas Ketchum is the story of God's sufficient grace in the life of His obedient servant Thus the message of this volume is simple God rewards obedience As a historian I was captivated by the manner in which Dr Ketcham's life was rooted in the history of fundamentalism In order to portray him correctly I felt it important to show some of the conflicts within the Northern Baptist Convention It also seemed necessary to present briefly the development and decline of the Baptist Bible Union a movement in which Dr Ketcham was deeply involved Finally since in many respects the story of his life is the story of the General Association of Regular Baptist Churches some history of the Association has also been included Dr Ketcham was a vital part of the history of the Baptist fundamentalist movement He was by no means the only figure but he was an important figure His life was devoted to the defense of biblical Christianity It is my prayer that this volume might help the reader achieve a more complete understanding of fundamentalism in its historic context Preface
