Royal Pain A J Moran, 2021-05-29. A COMPLETE STANDALONE. Taylor: You're not supposed to fall for the enemy or your soon-to-be stepbrother. I did both. When my mom died, I thought my life was over. I lived each day just going through the motions. Then my dad found someone else and moved her and her two teenage boys into our house. Two hot guys. They thought they could come in and just take over my life, but I'd show them both that they weren't welcome. I would play their games and I would win. I didn't expect to fall for one of them in the process. How can I keep my mom's memory alive and let myself live again? Marcus: Losing my dad in an accident I blamed on myself was hard. So when my mom found herself a new happily ever after, all I could do was support her. It was too bad my new living situation came with a rich princess that was used to getting her way. Bringing her down a few notches became an obsession until I started to fall for her. That hadn't been the plan; the plan was to make her fall for me, not the other way around. Could I help her heal from losing her mom and let her help me heal? Could she be my happily ever after? Author's note: This young adult romance is a full-length standalone novel with no cliffhanger. It does contain loss of close family members, drinking, and light drug use.
