Tales Of The Tribulation:

Timeless Tales of the Tribulation Steven Steele, 2024-08-20 TIME RUNS OUT Tribulation A cause of great trouble and suffering The last years of human history will be defined by that very word However it isn't just pain and torment of flesh and bone The souls of the Earth will be put to the final test Faith determination and resolve of the living is the battleground as spiritual warfare begins Who has the faith of a mustard seed Who has the determination to face their own generational demons Who has the resolve to stand firm against the world Simply look inward to find out [The Tribulation Story](#) Greg Hinnant, 2020-06-11 describes in clear chronological order the unforgettable people and events of the Tribulation seven years biblically prophesied to complete Israel's and the world's histories Revelation 6:19 This unique biblical epic offers striking contrasts monstrous despots and heroic believers fearful judgments and rapturous rescues false prophets and true witnesses filthy harlots and pure brides hell's worst and heaven's best a titanic relentless struggle between God and Satan through human agents unresolved till the last hour of the last day For seven years the world will experience increasingly frequent and intense birth pangs until at last a new enduring righteous world order emerges reborn from the ashes of the old the visible kingdom of Jesus Christ On this earth For a thousand years But before that warm brilliant Son rise cold dark wonders are predetermined so unprecedented so shocking so outsized so fantastic they seem utterly incredible Yet oracles of God they are utterly credible certain and near With signs of the times everywhere with its clear biblical instructions for spiritual readiness is extraordinarily timely And compelling It will grip your attention and keep you reading until you fully understand the Tribulation and how to escape it Book Review 1 Without a doubt people are sensing that our world is under the sway of biblical end time prophecies Recent events have driven people to reconsider these signs of the times and take a fresh look at what the Bible says regarding these events In *The Tribulation Story* Greg Hinnant's passion and scholarship really shines Many Christians today are woefully uneducated and ignorant of even basic eschatology and the relevance of its impact for our lives I'm grateful Greg has produced a well written and well researched work for both those new to the faith and for veteran believers I found it to be an excellent and accurate overview of the Book of Revelation *The Tribulation Story* is inspiring enlightening and most importantly biblically sound I highly recommend it for anyone interested in God's plan for the ages Dr Randal S Langley President CEO Christian Life School of Theology Global Book Review 2 *The Tribulation Story* is a unique chronology of the events prophesied in the Book of Revelation Greg Hinnant has not only given us a book of in depth information he has given us a book of deep Holy Spirit revelation that carries life changing impartation It is impossible for anyone Christian or non Christian to read this amazing work and not experience a deep emotional reaction and spiritual resonance in their heart It will connect the dots for many people who have never really understood the Book of Revelation before Dr John Shiver John Shiver Ministries Book Review 3 *The Tribulation Story* vividly details the horrors of the coming Tribulation period It is not only based on the Book of Revelation but also makes extensive use of Old and New Testament

Scriptures including those of many prophets who foresaw this coming time Jesus challenged Christians to be wise worthy watching faithful and ready at all times for His return This book encourages us to learn to more persistently overcome our smaller tribulations with God s grace in order to be ready to be raptured away to heaven and thereby avoid the Tribulation Dr Ernst Lutz Ph D Switzerland Book Review 4 While The Tribulation Story does not purport to identify precisely the when of Christ s return it does affirm that the events described in the Book of Revelation are an impending awesome reality for our generation Hence The Tribulation Story is not written to explain prophecy for some distant future but for our present time The poignant description of coming events lends assurance to the faithful that God is both sovereign and merciful while beseeching the unfaithful to bow their knee only to the Lord Jesus as the ultimate Victor and King This book is a call for preparation in the here and now Dr Ran Whitley D Min Ph D Professor Alma Dark Howard Chair of Church Music Campbell University

Beyond the Headlands: Tales of Cape MD Shar,2025-04-23 Beyond the Headlands Tales of Cape sets out as a heartfelt tribute to the world s capes not just as geographic formations but as thresholds of adventure history and the human spirit Through vivid storytelling the author invites readers to stand at the edge of continents and imagination where land meets the restless sea These capes are portrayed as both real and symbolic boundaries shaping maritime history inspiring folklore and challenging those who dare to reach their edges With every chapter readers travel to a different cape each one revealing its distinct natural character cultural resonance and historical importance Themes of exploration resilience and humanity s relationship with nature are woven throughout celebrating the courage of seafarers and the wisdom of indigenous communities who lived close to these dramatic landscapes Whether it s the treacherous waters of Cape Horn or the storied beauty of Cape Cod each tale unfolds like a map of the human condition marked by awe risk and reverence for the Earth s wonders The book is also a quiet call for conservation reminding us that these iconic headlands face modern threats The stories are not just reflections of the past but reminders of what could be lost if we fail to care Beyond the Headlands offers more than just a journey it invites readers to feel the salt wind see through the eyes of those who dared and perhaps even dream of the unknown that still lies ahead It s a soulful celebration of the places where the world seems to pause and then with courage move forward

The New Brothers Grimm and Their Left Behind Fairy Tales David T. Morgan,2006 The New Brother s Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the

author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil
