Talking About Our Faith:

The Reluctant Witness Don Everts, 2019-07-30 Don Everts grew up assuming that spiritual conversations are always painful and awkward. But his surprising and sometimes embarrassing stories affirm what Scripture and the latest research reveal: spiritual conversations can actually be a delight. With original research from the Barna Group on spiritual conversations in the digital age, this book offers fresh insights and best practices for how to become eager conversationalists.

Speaking Our Faith Leader Guide Kit Carlson, 2018-03-17 This Leader Guide offers five session plans designed to bring the process described in Kit Carlson's book *Speaking Our Faith* to small groups of adults in a congregational or school chaplaincy setting in order to help them learn how to speak and share their faith. Guidance for the leader in how to facilitate each conversation is given, noting issues that tend to arise in each of the sessions. Homework assignments continue the work from week to week and are provided as well. The time to speak to share our faith is now. Through the sessions provided, participants will learn how to put words to their own experiences of God, create their own statements of belief and begin to have compassionate, caring conversations with other people about spirituality, belief and Jesus Christ. *Self Talk, Soul Talk* Jennifer Rothschild, 2007 Words are powerful and what a woman says to herself makes a difference. These words are what Rothschild refers to as soul talk. She shares from her own life and Scripture how women can turn their self images and lives around for good. **Plain talk about the Protestantism of to-day. Are you worried that conflicts will arise as you openly talk about and share the love of Christ? In *Everyday Witness* Sr Theresa Rickard O.P. president of RENEW International offers seven simple habits to help fellow Catholics more comfortably talk about and model Christian faith in our everyday lives. Most often people come to Christ because they've admired the words and actions of believers they respect. But talking about God and witnessing by our actions can be very difficult. In this primer for evangelizing witness Sr Theresa Rickard O.P. presents inspirational stories and biblical reflections along with spiritual coaching and practical advice for Catholics who want to get better at sharing what they believe and how they came to believe it. Rickard encourages us to adopt seven habits that will help us confidently share our faith in word and deed: choose joy, be humble, preach from the pulpit of life, pray unceasingly, listen closely, practice the art of accompaniment, engage in God talk. Each chapter includes Rickard's reflection on witnessing the faith in her own life, a brief survey of what the Bible says on the topic and the story of an ordinary person who gives witness to their faith in an extraordinary way. Each chapter also offers self-reflection questions, simple ideas about how to grow the habit and a closing prayer that gives us not only food for thought but also practical help for becoming better witnesses to our Catholic faith. *Meditations for a Surrendered Life* Dr. Jené "Dr. J."
