*Tip O'Neill and the St. Louis Browns of 1887* Dennis Thiessen,2019-07-03 In 1887 Tip O'Neill left fielder for the St. Louis Browns won the American Association batting championship with a .492 average the highest ever for a single season in the Major Leagues. Yet his record was set during a season when a base on balls counted as a hit and a time at bat. Over the next 130 years the debate about O'Neill's correct average diverted attention from the other batting feats of his record breaking season including numerous multi hit games streaks and long hits as well as two cycles and the triple crown. The Browns entered 1887 as the champions of St. Louis the American Association and the world. Following the lead set by their manager Charles Comiskey the Browns did anything to win combining skill with an aggressive style of play that included noisy coaching incessant kicking trickery and rough play. O'Neill did everything to win at the plate leaving the no holds barred tactics to his rowdier teammates.

Famous for a Time Jason Wilson, Richard M. Reid, 2023-07-25 Celebrating Canadian athletes and sporting history. The cultural impact of sport on a nation is not slight. Famous for a Time explores a number of important if not well remembered Canadian athletes and the sports they played to help explain the nation's complicated history sporting and otherwise. It is an exploration that reveals the socio cultural trends that have shaped Canada since Confederation. Through the prism of some exceptional athletes the prevailing attitudes of many Canadians about class race masculinity femininity and national identity are laid bare. Here from the sidelines we learn how these attitudes have changed or not as the case may be over time. From team sports such as lacrosse baseball and cricket to Canada's cycling craze track and field and boxing each chapter offers insight into an important aspect of the nation's narrative. The winners and losers of Canada's games simply mirror the larger questions that have faced Canadian society across three centuries.
