Man Enough Justin Baldoni, 2021-04-27 From the director, executive producer, and star of *IT ENDS WITH US*, Justin Baldoni, a gripping, deeply honest, fearless personal and societal exploration of masculinity and what it means to be a man. The effects of traditionally defined masculinity have become one of the most prevalent social issues of our time. In this engaging and provocative new book, beloved actor, director, and social activist Justin Baldoni reflects on his own struggles with masculinity. With insight and honesty, he explores a range of difficult, sometimes uncomfortable topics including strength and vulnerability, relationships and marriage, body image, sex and sexuality, racial justice, gender equality, and fatherhood. Writing from experience, Justin invites us to move beyond the scripts we've learned since childhood and the roles we are expected to play. He challenges men to be brave enough to be vulnerable, to be strong enough to be sensitive, to be confident enough to listen. Encouraging men to dig deep within themselves, Justin helps us reimagine what it means to be man enough and, in the process, what it means to be human.

Midnight at the Christmas Bookshop Jenny Colgan, 2023-10-10 Your most delightful holiday read, the sequel to the instant New York Times bestseller *The Christmas Bookshop*, from beloved Scottish author Jenny Colgan. Christmas comes early, far too early, to McCredie's little Old Town bookshop in Edinburgh. It's summer, but an American production company has decided that McCredie's is the perfect location to film a very cheesy Christmas movie. After all, who can resist the charmingly narrow historic street with its Victorian grey stone buildings and warmly lit shop windows? Carmen Hogan, the bookshop's manager, is amused and a bit horrified by the goings on, but the money the studio is paying is too good to pass up. She uses the little windfall from filming to create new displays and fend off a buyout offer from an obnoxious millionaire who wants to turn McCredie's into a souvenir shop selling kilts made in China and plastic Nessies. Still reeling slightly from a breakup, Carmen's not particularly looking forward to the holidays. But just as snow begins to fall and the lights of Christmas blink on, all sorts of lovely new possibilities present themselves for McCredie's bookstore and for Carmen herself. A touching holiday read, perfect for fans of uplifting winter romances. A delightful Christmas gift.
