The New York Weekly Digest of Cases Decided in the N.Y. Court of Appeals, and General Terms of the N.Y. Supreme, Common Pleas and Superior Courts ,1882 *UnBranding* Scott Stratten, Alison Stratten, 2017-10-04
UnBranding breaks through the noise of disruption. We live in a transformative time. The digital age has given us unlimited access to information and affected all our traditional business relationships from how we hire and manage to how we communicate with our current and would be customers. Innovation continues to create opportunities for emerging products and services we never thought possible. With all the excitement of our time comes confusion and fear for many businesses. Change can be daunting and never have we lived in a time where change came so quickly. This is the age of disruption it's fast paced, far reaching and is forever changing how we operate, create, connect and market. It's easy to see why brand heads are spinning. Businesses are suffering from the next big thing and we're here to help you find the cure. UnBranding is about focus, it's about seeing that within these new strategies, technologies and frameworks fighting for our attention lay the tried and true tenants of good business because innovation is nothing but a bright and shiny new toy unless it actually works. UnBranding is here to remind you that you can't fix rude staff, mediocre products and a poor brand reputation with a fancy new app. We are going to learn from 100 branding stories that will challenge your assumptions about business today and teach valuable actionable lessons. It's not about going backwards, it's about moving forward with purpose, getting back to the core of good branding while continuing to innovate and improve without leaving your values behind. Some topics will include: Growing and maintaining your brand voice through the noise. How to focus on the right tools for your business for the right reasons. Maintaining trust, consistency and connection through customer service and community. The most important question to ask yourself before innovation. The importance of personal branding in the digital age. How to successfully navigate feedback and reviews. It's time for a reality check. It's time to solve problems, create connections and provide value rather than rush strategy just to make headlines. UnBranding gives you the guidance you need to navigate the age of disruption and succeed in business today.
