### **Bad Choices Make Good Stories: The Strange True Story of the First Influencer** Oliver Markus Malloy, 2020-07-27

Special Anniversary Omnibus Get all three books for the price of one \_\_\_\_ Part 1 Going to New York \_\_\_\_ The strange true story of the first influencer Oliver a hacker living in Germany meets Donna online She s an American girl living in New York After chatting and talking on the phone for months he finally decides to surprise her with a visit But he soon finds out that things are not what they appeared to be and that this visit will change his life forever Nobody has ever killed themselves over a broken arm But every day thousands of people kill themselves because of a broken heart Why Because emotional pain hurts much worse than physical pain Oliver Markus Malloy Bad Choices Make Good Stories Don t ever think you re better than a drug addict because your brain works the same as theirs You have the same circuits And drugs would affect your brain in the same way it affects theirs The same thought process that makes them screw up over and over again would make you screw up over and over as well if you were in their shoes You probably already are doing it just not with heroin or crack but with food or cigarettes or something else you shouldn t be doing Oliver Markus Malloy Bad Choices Make Good Stories A must read One of those rare books that sucks you in from the first to the last page Amazon Review \_\_\_\_ Part 2 The Heroin Scene in Fort Myers \_\_\_\_ America has a heroin problem Oliver moves from New York to Florida Battling with depression he gets sucked into the seedy underworld of Fort Myers where he encounters a number of female drug addicts He empathizes with them because of his own traumatic past Oliver feels compelled to try to help them escape the addict lifestyle but learns the hard way that he is in way over his head A truly fascinating and unexpected look at the darker side of addiction A Allyson Goodreads \_\_\_\_ Part 3 Finding Happiness in Los Angeles \_\_\_\_ If you re a fan of Dave Chappelle or John Oliver you ll love this book After writing a book about his bizarre adventures in America s underbelly Oliver finally finds love among his readers on Goodreads I think it will become a standard for people who are dealing with loved ones struggling with addictions B Bridges Amazon Review Dear Reader You re a little late to the party Where the hell have you been This is already the third and final part of the trilogy and you re only joining us now Tsk tsk tsk Let me get you up to speed on what you ve missed so far In book one Going to New York you missed the utterly fascinating nay spellbinding saga of me growing up in Germany and later emigrating to New York I was a brooding troubled teenage hacker Wow Good stuff It s almost like my life was the perfect kind of crazy to make a really awesome book Anyway being a teenage hacker came in handy later in life I went from rags to riches thanks to my keen understanding of technology and how to use the web to my advantage In New York I was married to Donna a girl I had met online She was an agoraphobic prone to temper tantrums And fun was had by all which led to a divorce 16 years later That s where the story gets really interesting I began dating It didn t go well I was no good at it OK truth be told I was really bad at it Apparently I had terrible taste in women A heroin addicted hooker named Alice broke my heart and robbed me of my will to live Doesn t sound very fun does it But it s a fun read I promise Dark but fun

Mesmerizing even Brokenhearted I moved from New York to Florida That's where the first book ends The second book you missed I'm not mad at you I'm just disappointed is called The Heroin Scene in Fort Myers which is a very fitting title believe me Sometimes I'm a slow learner so I dated my way through the heroin scene in Florida and I couldn't figure out for years why I wasn't finding any wife material But oh how I tried And tried In all the wrong places Pretty sad I'm not proud of it After years of sad pathetic sex with heroin addicts I was a wreck My younger self wouldn't have even recognized me Lucy and Veronica had turned me into a broken humiliated shell of a man My heart had been ripped out of my chest so many times it was a miracle I hadn't killed myself yet Seriously it's a fun read I promise At the end of the book I had it up to here with heroin addicts I told myself never again would I let myself be sucked in by the sweet lies of manipulative fake love The name of the final chapter was NO MO HO No more whores I needed to change my life before my life was going to kill me I hopped on a plane back to my native Germany to lick my wounds and heal before returning to America That's where the second book ended And now for our third and final act
