

Book One of the Dandelion Trilogy

THE DANDELION INSURRECTION

*love and revolution
by Rivera Sun*

The Dandelion Insurrection

**Frederick Converse Beach, George
Edwin Rines**

The Dandelion Insurrection:

The Dandelion Insurrection Study Guide ,2015-01-28 All around the world ordinary people like you have made change using the nonviolent action tools of Dr King Gandhi Jesus and Cesar Chavez Learn the modern strategies of nonviolent civil resistance that you can apply to empower your community Using examples quotes and concepts from Rivera Sun s novel *The Dandelion Insurrection* this study guide covers the basic dynamics of how people powered movements can win With exercises and discussion questions this book teaches you how to live the real life version of *The Dandelion Insurrection* Drawing from current leaders in the field of nonviolent action such as Dr Erica Chenoweth organizer Philippe Duhamel Ivan Marovic of Serbia s Otpor George Lakey Gene Sharp and the Albert Einstein Institution and Michael Nagler of the Metta Center for Nonviolence this study guide offers you practical approaches to strategizing for change Readers discover how to envision and build campaigns become familiar with the 198 Methods of Nonviolent Action and learn the powerful dynamics that influence nonviolent struggles The lessons in this study guide can be applied to many issues giving individuals and groups the skills to resolve the challenges our communities face The knowledge in this study guide includes the exercises that Rivera Sun teaches nationwide and much more These are the concepts and ideas that inspired Rivera Sun s creation of *The Dandelion Insurrection* which has been called the handbook of the coming revolution Gather your friends neighbors elders and students Together we ll explore how ordinary people can make extraordinary change When fear is used to control us love is how we rebel *The Dandelion Insurrection* **The Dandelion Insurrection** Rivera Sun,2013 In a time that looms around the corner of today under a gathering storm of tyranny Zadie Byrd Gray whirls into the life of small town reporter Charlie Rider and asks him to become the voice of the *Dandelion Insurrection* With the rallying cry of life liberty and love Zadie and Charlie fly across America leaving a wake of revolution in their path Passion erupts Danger abounds The lives of millions hang by a thin thread of courage but in the midst of the madness the golden soul of humanity blossoms and miracles start to unfold Author Rivera Sun creates mythic characters from everyday people She infuses the story of our times with practical solutions and visionary perspectives drawing the reader into a world both terrifying and inspiring a world that could be our own *Winds of Change* Rivera Sun,2020-11-11 Earth rises for justice as our debt comes due With courage and love the *Dandelion Insurrection* navigates fires and floods to rise from the ashes and bloom in the wreckage for the clock is ticking and the winds of change are blowing **Rise and Resist** Rivera Sun,2019-07-04 Fiery Evocative Uplifting Fiction meets reality in these impassioned and hard hitting essays on love courage politics and resistance The words are a rallying cry a balm to the soul and fuel or the fire of social change that ignited a revolutionary movement in a fictional United States just around the corner of today **The Roots of Resistance** Rivera Sun,2018-03-10 Hopeful inspiring challenging heart wrenching nail biting and fun *The Dandelion Insurrection* is back Charlie Rider and Zadie Byrd Gray may have won a revolution but they ve got more problems than centipedes have legs as lawyer Tansy Beaulisle puts it The new president can

t be trusted The rich and powerful refuse to step down A mysterious group called the Roots slips a violent edge into the heart of the movement When the media cooks up a love affair between Zadie and the Roots leader it takes every ounce of Charlie's courage and compassion to keep the Dandelion Insurrection moving forward You're in for a wild adventure as the indomitable dandelions rise to the challenge of intrigues deception love triangles and sabotage with the passion and bold action that will leave you cheering for more When your back's to the wall your heart has to lead Author Rivera Sun sings the anthem of our times in her novels poetry and other writings She is the author of *The Dandelion Insurrection* *Billionaire Buddha* *The Way Between* and more Find all of her essays and novels at www.riverasun.com *Steam Drills, Treadmills, and Shooting Stars* Rivera Sun, 2013 Great protest novels arise in every era *The Grapes of Wrath* 1939 *The Jungle* and now *Steam Drills Treadmills and Shooting Stars* In this novel fact and fiction march hand in hand together across the American landscape as the ghost of the legendary John Henry haunts Jim Dalton a corporate lawyer for Standard Coal and young Henrietta Owens an activist and mother who captivates the nation with some tough loving truth about the environment the economy justice and hope From the ghost of John Henry to the Revolutionary Table the Tightrope Walking Woman and the Primetime Gladiator the Prince of Nothing Who Comes From Nowhere and the Midwife on the Front Line of Birth and Death this epic myth of our time stars our selves and our neighbors in an answer to the silent prayers of the American people This is a protest novel It is designed to wake up God in the heavens shake the devil down in hell and rattle all the people in between You will have a lot of fun **Whole Earth Justice** Gene Tierney, 2020-03-02 What's This Book About Through a series of unlikely events Justice Miller a university professor and former hockey star discovers profound secrets about the fundamental nature of human civilization the perils we face and unexpected prospects for a brighter future Not one to shy away from a fight she and a group of activists provoke establishment adversaries as they pursue new solutions and strategies to confront our social and ecological problems In the process they launch a bold campaign to usher in a new era focused on greater interdependence and justice Since humans first emerged on Earth two hundred thousand years ago with our unique abilities and characteristics we have been on a journey toward this moment We now face a crossroads and urgent choice to live together interdependently or die separately There is no salvation in isolation no scientific breakthrough that can save us no amount of money or weaponry or border fortifications that can shield us Caring about others is the only way to sustainability social justice and prosperity To some this kind of change may seem idealistic or impossible or partisan or altruistic or even inconsistent with human nature but they'd be wrong It's happening right now all around us and when you know how to see it you'll see it everywhere But more importantly when you know how to see it you'll see opportunities everywhere Not just opportunities to survive but opportunities to thrive **Talking Spirit** Nowick Gray, 2021-11-11 Essays spanning three decades reflective yet contemporary philosophical and practical address human nature and environmental ethics personal and metapolitical intention radical insight and live freedom in thought emotion and action While it might be

said that everything pre 2020 is irrelevant in the light of our global paradigm shift it is important to recognize both the long history of our present oppression and the more ancient tradition of positive human spirit ever capable of rising to the challenge to assert the primacy of our fundamental values and aspirations *Botany of Empire* Banu

Subramaniam,2024-06-25 An accessible foray into botany's origins and how we can transform its future Colonial ambitions spawned imperial attitudes theories and practices that remain entrenched within botany and across the life sciences Banu Subramaniam draws on fields as disparate as queer studies Indigenous studies and the biological sciences to explore the labyrinthine history of how colonialism transformed rich and complex plant worlds into biological knowledge Botany of Empire demonstrates how botany's foundational theories and practices were shaped and fortified in the aid of colonial rule and its extractive ambitions We see how colonizers obliterated plant time's deep history to create a reductionist system that imposed a Latin based naming system drew on the imagined sex lives of European elites to explain plant sexuality and discussed foreign plants like foreign humans Subramaniam then pivots to imagining a more inclusive and capacious field of botany untethered and decentered from its origins in histories of racism slavery and colonialism This vision harnesses the power of feminist and scientific thought to chart a course for more socially just practices of experimental biology A reckoning and a manifesto Botany of Empire provides experts and general readers alike with a roadmap for transforming the colonial foundations of plant science **20 Dictators Currently Supported by the U.S.** David Swanson,2020 The U S government

has a habit of supporting brutal and comically outrageous dictators This book offers 20 current examples together with some background on historical patterns some explanation for why this happens and a proposal to put an end to it As documented here the U S government arms trains and funds all variety of oppressive governments not just dictatorships The choice to focus on dictatorships in this book was not made merely to shorten the list Rather that choice was made because the U S government so often claims to be opposing dictators through the promotion of democracy Frequently the atrocious conduct of a dictator is a central selling point for a new war or coup or program of sanctions Yet neither Saddam Hussein's horrific though fictional removal of babies from incubators nor Manuel Noriega's cavorting in red underwear with prostitutes while snorting cocaine and praying to voodoo gods as the New York Times solemnly informed us on December 26 1989 rivals the moral horror or the glorious goofiness of the 20 tyrants described in this book No one will be able to read this and believe that a primary purpose of U S foreign policy is to oppose dictatorships or to promote democracy If it is important to you to try to believe that you've probably already stopped reading How Wealth Rules the World Ben G. Price,2019-05-21

Crackdowns on local democracy are accelerating as corporate and state interests continue efforts to repress social movements In this well timed book Ben Price presciently reveals structures of power and law that facilitate blatant corporate supremacy in the United States Price uses his years of experience as a community organizer and a careful reading of history to show how a legal paradigm that facilitated slavery and the fossil fuel economy has endured and adapted over time today

barricading our communities and squelching dissent Many books have been written about wealth power and politics in the United States Most of them make intuitive sense Wealthy people use their power to influence and control politics But Ben Price s new book is often counterintuitive as he explores how wealth itself is imbued with power He answers questions such as How is the American Legislative Exchange Council a modern states rights free market capitalist group the intellectual and political descendant of George Washington s Federalist Party How was the Fourteenth Amendment that emancipated African American slaves from their status as property used by a reactionary Supreme Court to grant legal personhood to private corporations How are cities seen under our legal doctrine as public corporations devoid of real governing authority Further Price identifies key counterrevolutions in U S history that squelched the transformative potential of the Civil War and American Revolution and traces the roots of colonial and imperial systems of control He links them to modern free trade agreements and other antidemocratic structures used to supersede democracy to this day For some this will come as no surprise For others it will be a rude though necessary awakening The white man s municipalities are just reservations like ours said a resident of Pine Ridge Reservation who Price spoke with The difference is we know we live on reservations The white man doesn t Crucially Price shares insight into how social movements can plant seeds of a new legal system that makes the liberty civil rights and dignity of humans and ecosystems its ultimate purpose In fact he introduces the reader to people who are doing just that

Women Engaging the Catholic Social Tradition Brigham, Erin M., Johnson, Mary, 2022 The Catholic Social Tradition has concentrated on the labor of white males and assumes a patriarchal structure But where are women in most papal documents and commentaries on them Where is the home Where are women of color and where are women who toil in non unionized sectors such as domestic work Where are the women in the teachings aimed at achieving justice for migrants These essays written for this collection examine these issues and use the framework of Catholic Social teaching as a context for broadening the understanding of the Church s teaching and of scholarship

Invisible Insurrection of a Million Minds Alexander Trocchi, 1991 Alexander Trocchi was the leading British beat writer of the 1950s and 60s He left behind a small body of works best known are the two novels Young Adam and Cain s Book and a handful of erotic novels and translations The shorter pieces here stories essays and the extracts many previously unpublished demonstrate the range of Trocchi s writing his preoccupation with human isolation with the outsider figure and his role as a cosmonaut of inner space

The Americana Frederick Converse Beach, George Edwin Rines, 1908

Every Good and Perfect Gift Brenda Jernigan, 2001 In the tradition of Kaye Gibbons Sheri Reynolds and Dorothy Allison Brenda Jernigan is an exciting and original Southern voice This novel concerns a miraculous event with a contemporary spin that sets in motion a profoundly moving and often warmly human coming of age story This is beautifully crafted writing rich with unforgettable characters Every Good and Perfect Gift is set in a small town in North Carolina a place that is comfortable with tradition including the traditional image of God On a sultry Sunday morning when ten year old Maggie Davidson swoons from the heat

and sees God and God is a woman people are quick to ascribe her vision to the fantasies of an overheated girl But when Maggie begins to demonstrate a gift of healing people s attitudes change This is a story of a family of three strong women grandmother mother and daughter who live by the laws of love loss and pride It is also the story of a community of good people gone wrong and bad people who find good in themselves It is a knowingly detailed account of a particular part of America and of the wide landscape of human hearts and souls **The Americana** ,1906 *The Encyclopedia Americana* Frederick Converse Beach,1904 **Our Paper** ,1896 **The Encyclopedia Americana** ,1905 **Imperial Reference Library** ,1898

Decoding **The Dandelion Insurrection**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**The Dandelion Insurrection**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
