### **The Dungeon Level Three:**

*Hell'S Waiting Room and Other Stories* David Welch, 2018-07-17 Hells Waiting Room and Other Stories is a collection of fiction from flash fiction to longer fiction pieces that immerse the reader in a world of intrigue and violence. These stories take the human experience to new levels and push the boundaries of landscape and character experiences. **Savage** Kelex, 2017-05-03 Six years of working for Project Zed showed MSgt Cutler Morrison all he thought he needed to know about the shifter world. He'd pledged his life to fight back the evil savagery of the wild creatures threatening to kill all humankind until he realized that the heroes he was fighting with weren't much in the way of heroes and the ones they were fighting against didn't seem so hellbent on world domination after all. Disillusioned, a fateful plane crash brought him down in the middle of shifter territory and there he saw another side to the beasts he thought were evil. On Cutler's first mission with the shifters, they take down one of the weaponized creatures, the project imprisoned and bring him to safety. He's always had an odd connection to Subject Z-620. Cutler's like a moth to the monster's flame. As more secrets about Project Zed come to light, they both have to come to terms with who they were, what they've done, and where the road leads. **The Legend of Zelda Encyclopedia Deluxe Edition** Nintendo, 2018-06-19 The Legend of Zelda is one of the most successful franchises of all time with nearly twenty video games and thirty years of history, but it all started with a gold cartridge. The Legend of Zelda Encyclopedia Deluxe Edition honors the game that started it all by recreating the original gold cartridge as faithfully as possible. The book comes with a black polypropylene sleeve lined with velvet flocking and a scale instruction booklet with fun theme appropriate material inside. The cover is a gold foil paper with gloss lamination and a spot gritty varnish. The details are embossed and debossed. It has gold gilding on the top and fore-edge with black gilding on the bottom. This book looks and feels so much like the original cartridge you might find yourself blowing into the bottom before you open it. Everything you've ever wanted to know about The Legend of Zelda now in one collectable volume featuring rare and never before seen material on lore, locations, characters, and much more.
