Penguin Classics Penguin (Firm), 2005 *Vita Nuova* Dante Alighieri, 2022-03-22 A sparkling translation that gives new life in English to Dante's *Vita Nuova* his transcendent love poems and influential statement on the art and power of poetry

and the most widely read of his works after the *Inferno*. A Penguin Classic, Dante was only nine years old when he first met young Beatrice in Florence. Loving her for the rest of his life with a devotion undiminished by even her untimely death, he would dedicate himself to transfiguring her through poetry into something far more than a muse. She would become the very proof of love as transcendent spiritual power and the adoration of her a radiant path into a new life. Censored by the Church, written in the Tuscan vernacular rather than Latin, exploding the courtly love tradition of the medieval troubadours and employing an unprecedented hybrid form to link the thirty-one poems with prose commentary, *Vita Nuova*, first published in 1294, represents both an innovation in the literature of love and the work of Dante that brings this extraordinary poet into clearest view. This limpid new translation, based on the latest authoritative Italian edition and featuring the Italian on facing pages, captures the ineffable quality of a work that has inspired the likes of Ralph Waldo Emerson, Charles Baudelaire, T.S. Eliot, Jorge Luis Borges, Robert Penn Warren, and Louise Glück and sustains the long afterlife of a masterpiece that is itself a key to the ultimate poetic journey into the afterlife. *The Divine Comedy*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

[The Dark Landscape of Modern Fiction](#) Patrick Reilly, 2018-05-08. This title was first published in 2003. This text explores the dark pessimistic truth that pervades the pages of modern texts, setting a theme of Dante's *Inferno* against the work of modern authors including Dostoyevsky, Hardy, Conrad, Wharton, Kafka, Camus, Waugh, and Flannery O'Connor. The author's thesis is that these writers exhibit a hostility towards the reader, an anger that the reader should continue to be so deludedly happy when the writer has become so mortifyingly enlightened. At its most characteristic, Reilly demonstrates, modern fiction seems to achieve a savage satisfaction in inflicting this pain to an extent that could be described as sadistic. Reilly traces what he calls this punitive spirit to a character in the *Inferno*, Vanni Fucci, who, suffering himself, does his best to make Dante suffer too. Through the study, he uses the *Inferno* as a guide to the prevailing attitudes in modern fiction, revealing a parallel between the prohibition of pity within the medieval poem and in the pages of modern texts.

Alighieri , **Eschatology at the Beginning of the Third Millennium** Kevin Wagner,Peter John McGregor,Danijel Uremović,2025-12-04 The theology of the last things has long been and still is a source of confusion and contention among Christians Indeed the century just past could be called the century of eschatology In that century theologians such as Albert Schweitzer C H Dodd Rudolf Bultmann Oscar Cullmann and Karl Barth loom large On a popular level the end of the second millennium was replete with predictions of the end or the rapture or the great tribulation and such predictions have not ceased This being so the field of eschatology the theology of the consummation of the cosmos should be of interest to every Christian not just those who are theologians This collection of chapters brings eschatology into conversation with a wide variety of disciplines including Scripture patristic and medieval theology philosophy and history The result is a scholarly volume that enriches both eschatology and the fields with which each contributor engages Eschatology at the Beginning of the Third Millennium will help pastors and catechists in their ministries to understand more deeply the riches of a theology which is about much more than the end times
