The Door To December:

The Door to December Dean Koontz, 2011-02-01 1 New York Times bestselling author Dean Koontz takes readers into the darkest recesses of the human mind and into the tempest of a father's obsession. A call in the middle of the night summoned psychiatrist Laura McCaffrey out into the rain-swept streets of Los Angeles. The police had found her husband beaten to death. But what of her daughter Melanie, whom he had kidnapped six years earlier? At the brutal murder scene, the police lead Laura into her husband's makeshift lab and open the door to a rising tide of terror that has trapped Melanie in its midst.

What would you do if you found out you're actually a descendant from a family of witches? And your best friend, who now lives on another continent, is in extreme danger from one of the world's most evil vampires? Would you do everything in your power to keep her safe? This is the very question December Moon must answer. But first, she must delve into her family history and find out the truth about who she really is and where she comes from. Questions her quirky yet dead grandmother might be able to answer. As the danger intensifies, can December and Lilly work together to rid the world of the evil vampire? Or will they discover that their new-found powers just aren't strong enough? December Moon is the second paranormal coming-of-age adventure story in The Raven Witch Saga. If you like quirky characters and light paranormal romance that appeals to all ages, then you'll love SG Turner's December Moon. Praise for December Moon: The excitement and tension and danger ramp up a bit more than the last book. There is still plenty of paranormal romance to go around with the cast of the original novel and a handful of new players. Enjoy the read. It's a 2-day read and full of colorful antics and more surprises. Be sure to have something to wipe the tears. Some parts are just so touching. Delightful. I was impressed with the broad scope of imagination that will appeal to all ages. The storyline certainly keeps you engrossed. What a fun adventure. The best friends are finally together, and there is such love, respect, and sisterhood between Lilly and December.
