**The Arsonists' City** Hala Alyan,2021-03-09 Feels revolutionary in its freshness

Entertainment Weekly The Arsonists City delivers all the pleasures of a good old fashioned saga but in Alyan's hands one family's tale becomes the story of a nation Lebanon and Syria yes but also the United States It's the kind of book we are lucky to have Rumaan Alam A rich family story a personal look at the legacy of war in the Middle East and an indelible rendering of how we hold on to the people and places we call home The Nasr family is spread across the globe Beirut Brooklyn Austin the California desert A Syrian mother a Lebanese father and three American children all have lived a life of migration Still they've always had their ancestral home in Beirut a constant touchstone and the complicated messy family love that binds them But following his father's recent death Idris the family's new patriarch has decided to sell The decision brings the family to Beirut where everyone unites against Idris in a fight to save the house They all have secrets lost loves bitter jealousies abandoned passions deep set shame that distance has helped smother But in a city smoldering with the legacy of war an ongoing flow of refugees religious tension and political protest those secrets ignite imperiling the fragile ties that hold this family together In a novel teeming with wisdom warmth and characters born of remarkable human insight award winning author Hala Alyan shows us again that fiction is often the best filter for the real world around us NPR

Whisky Business Elliot Fletcher,2023-12-19 Opposites attract when a fish out of water actress and a grumpy Scottish whisky distiller are forced to work together to save the business they both love As a child April Sinclair dreamt of escaping her quiet island life to become a world famous actress Now fully grown and with her once flourishing career at an all time low what better way to figure out where it all went wrong than to go back to the beginning April has her sights set on a new

challenge and that is saving her family's distillery on the idyllic Scottish Isle of Skye. What she doesn't expect to find is Malcolm Macabe, short tempered and exceedingly attractive, living in the home she has just inherited. He may be a million miles away from the shy teenager she knew growing up, but one thing is for certain: he doesn't want her around anymore. Master distiller Mal has three loves in his life: whisky, his dog, and silence. He has no time for the pampered princess poking her nose around his distillery, even if said princess is the one who got away. More comfortable in the shadows than the spotlight, Mal is content to wait her out. She'll grow bored and run back to her glamorous world of nail salons and takeaway coffee eventually. When sparks begin to fly, he tells himself it doesn't matter because April Sinclair could never want a man like him, right.

**Frictionless** Christiane Lemieux, Duff McDonald, 2020-06-23. Serial entrepreneur Christiane Lemieux describes the new rules of entrepreneurship and business, arguing that visionary startups leverage the concept of frictionless to beat their competitors. Based on interviews with dozens of startup founders, experts, and scholars on entrepreneurship, *Frictionless* provides readers with a wide-ranging education in starting companies that thrive in the world of frictionless commerce made possible by new technologies, a new mindset, and new demands from Millennial consumers. Working with bestselling author and journalist Duff McDonald, Lemieux also shares her own story, lessons learned, failures absorbed at the helm of DwellStudio, which was acquired by Wayfair, and her latest venture, The Inside. Some founders profiled in the book are reducing friction in their own business models; others reduce friction through improved customer experiences; and still others are revolutionizing their operations to create frictionless organizations. Readers will glean lessons from the founders of well-known companies such as Instant Pot, Bonobos, Hims, and Halo Top, as well as upstarts Billie Dame Products and Convene. *Frictionless* outlines the groundwork necessary for getting a company up and running and explains how companies make and market products and services while meeting the demands of their customers and employees today. *Frictionless* is the essential handbook for creating tomorrow's mind set and competitive advantage.

**The Stylist** Rosie Nixon, 2018-09-04. In the tradition of *The Devil Wears Prada*, comes Rosie Nixon's debut novel, which follows a young woman who is thrown into the fast-paced world of fashion and glamour as she's forced to navigate the treacherous Hollywood red carpets while finding a fairytale love of her own. A stylish fun read, I absolutely loved it. Jackie Collins' Amber Green loves working at Smith's, London's ultra-exclusive boutique frequented by everyone who's anyone, including Mona Armstrong, the stylist to the stars. She is fierce, demanding, and can make or break a career with a snap of her manicured nails. When Mona's latest assistant walks out and, with awards season arriving faster than you can say Rodeo Drive, Amber finds herself agreeing to work for one of the most infamous and volatile women in Hollywood. And the stars aren't much better. Amber's life is turned inside out as she becomes familiar with all Hollywood has to offer on and off the red carpet. As she begins to enjoy life in the dressing rooms of the hottest stars, Amber discovers she's the one in the spotlight when she catches the attention of two very different men. But Mona's behavior is growing increasingly erratic, and unless Amber can out-style everyone in Hollywood, she's in danger of
