The Devil Made Me Do It Short Story:

Lean on God in Every Situation Freddie Johnson Jr, 2017-09-06 Book of devotions is religious writing This is designed for individuals to read for their personal edification and spiritual formation

Short Stories A-Z Carmel Liddell, 2023-08-18 This collection includes fiction fantasy and horror stories all underpinned by humour So whilst eavesdropping on the hearts and minds of the protagonists within feel free to chuckle as you cheer the goodies and boo the baddies Or vice versa None of the characters is drop dead gorgeous has perfect teeth or is living the dream with their one true love No These characters are muddling through life like the rest of us which means some stories may seem familiar perhaps a little too close to the bone Some are irreverent and others downright disturbing Nevertheless whatever your reaction whatever you feel the stories tell things the way they were and without judgement Fair enough

Three Short Stories: Death by Rabbit the Unexpected Selling God Matt Allman, 2010-02-17 The stories in Three Short Stories are offshoots of the two novels To Bind Fast and Four People on a Marsh The three stories are about the further experiences and growth of the two main characters in those novels as they search to make sense of the world in which they find themselves They never find their universe to be without surprises sometimes horrendous and sometimes delightful but they continually find that universe to be very quiet perhaps silent when it comes to values and directions for living And they wonder if it isn't more hostile than friendly

Best Genre Short Stories: Anthology #1, 2010

The Kid Looks Back-Short Stories & Tall Tales Ritchie R. Moorhead, 2011-07-12 The Kid Looks Back is a collection of sixty eight stories that cover a wide range of topics I hope that his book will be a gentle hiding place where you can go to get away from something return to something or go where you have never been Some of these stories are true Others are factually true although bit embellished Others are outright fabrications Most look back to a kinder mellower time Digging for worms swimming in a pond using an outhouse or wading in a river may bring gross evaluations from our urbanized cousins I hope that this book introduces them to life with a smile Most of the stories have a message Many are simply humorous Entertainment is the motive Carefree is the mood Try to find yourself within these pages May the beak of reality crack your comfort shell Start anywhere Finish anytime Enjoy

Short Stories Are Not Real Life David R. Slavitt, 1999-03-01 In these fourteen beautifully crafted stories David R Slavitt shows his mastery of the form Elegant spare sometimes funny sometimes elegiac this collection reflects a writer in admirable control of his craft The title story complete with footnotes la The Norton Anthology of Short Fiction braids together the tidy conventions of fiction and the brutal reality of New York as a writing teacher ponders s student s sexually explicit story that may or may not be autobiographical In The Impostor a writer s brother exploits the legerdemain of fiction in a series of ever bolder impersonations Several of the stories are presented by emotionally wounded narrators disillusioned men looking for a hint of grace in a world where expectations are frequently doomed to disappointment In such a world only one thing is certain we will hurt and be hurt by the ones we love And in the vacuum left when traditions that might have been redemptive have lost

their meaning punishment gets to be a habit a way of life or at least something to hold onto The stories pivot on nuance on the half realized insight on some perfectly innocent and insignificant insight on some perfectly innocent and insignificant gesture that turns round and grows into a medium to large awkwardness We find what the divorced father futilely awaiting his daughter's visit in Hurricane Charlie calls dabblers in distress lonely decent people trying to discover where love and life went In Simple Justice a man striving for some definitive family memory compares the process to archaeology The shards that remain are pathetically small and almost grudging Thus through the faltering memory of an elderly cousin in confluences a man becomes a kind of incarnation of his own father and for a moment finds himself at the vanishing point where a lost past meets an unknowable future in The long Island Train a simple anecdote becomes a metaphor for the opacity of the most apparently transparent human intentions Yet it is often these shard of tradition and memory that seem to hold our only promise of transcendence The protagonist of Grandfather for example through his reluctant participation in his grandson's bris finds a moment of reconciliation with a past that has broken loose of its moorings Even the most experimental of these pieces Instructions a list of admonitions ranging from the quotidian to the cosmic shows a deep humanity and a maturity of vision that steers adeptly between humor and despair These stories will linger in the reader's memory long after the book is closed

Funny Short Stories by the Snotty Atheist Jason Earley, 2021-02-12 This book is about Man's pointless quest for truth his goal to establish footing in the hereafter for eternity This book is about Man's right to dominate and exploit the lower animals and my firm belief that as I speak there are dozens of carnivorous intelligent species perfectly willing to place Man on the menu a privilege bestowed to them by their omnipotent omniscient god and contained within the text of their god inspired dogma On this day we will be granted an epiphany that a monotheist served over rice will provide a well balanced diet of protein B vitamins and riboflavin From that point on Galileo Issac Newton Aristotle and Frederick Nietzsche will be sustenance and everything that Man has created over the past two thousand years will be marginalized by the simple fact that we are delicious

The Devil Made Me Do It Donald Ray Goodman, 2013-01-21 The Devil Made Me Do It is a collection of biographical anecdotes that highlight mostly humorous moments in the life of a born Hoosier and his network of friends and family It is not a book written for the masses but rather a scrapbook of narratives that will appeal to those with a taste for honest humor and mostly benign real life mischief of the seemingly well adjusted neighbor next door The Devil Made Me Do It will also appeal to local historians and folklorists of the Hoosier state and particularly those of Monroe and Owen Counties with its personal narratives that offer glimpses into the post war life of the region through the eyes of a native
