Global Cyber Security Labor Shortage and International Business Risk Christiansen, Bryan, Piekarz, Agnieszka, 2018-10-05 Global events involving cybersecurity breaches have highlighted the ever growing dependence on interconnected online systems in international business. The increasing societal dependence on information technology has pushed cybersecurity to the forefront as one of the most urgent challenges facing the global community today. Poor cybersecurity is the primary reason hackers are able to penetrate safeguards in business computers and other networks and the growing global skills gap in cybersecurity simply exacerbates the problem. **Global Cyber Security Labor Shortage and International Business Risk** provides emerging research exploring the theoretical and practical aspects of protecting computer systems against online threats as well as transformative business models to ensure sustainability and longevity.

Featuring coverage on a broad range of topics such as cybercrime, technology, security training and labor market understanding, this book is ideally designed for professionals, managers, IT consultants, programmers, academicians and students seeking current research on cyber security's influence on business education and social networks.

[Fast Shopper, Slow Store](#) Gary Schwartz, 2012-09-25 As a retailer, how can you leverage mobile technology to increase sales? **Fast Shopper, Slow Store** will show you how. From Best Buy to Borders, retail stores are closing their doors forever. More and more consumers are looking to their mobile devices for the best products and the cheapest deals, and they all want to buy it faster at the touch of a button. The shop has lost its connection to this shopper. Gary Schwartz has been at the frontlines of the mobile industry for over a decade, and this book is about what companies can do to build the mobile tools necessary to reestablish a relationship with their mobile shoppers. Rich with examples from Amazon to Barnes and Noble to Google, Schwartz gives a step-by-step approach to harnessing and executing the strategies necessary for companies to move into the mobile sphere and see lasting, lucrative results.
