**The Balkan Route** Shkelzen Hasanaj, 2026-02-05 This volume presents an in depth investigation into the dynamics of irregular migration through Albania which recently have radically transformed the traditional perception of the country from a land of emigration to a crucial transit hub Through an interdisciplinary reading the author examines transformations in migration routes in the Western Balkans highlighting how the externalisation of EU migration policies has affected the region leading Albania to become a stable containment point for migrants The author draws from empirical data personal stories and policy analyses to explore the complex interactions between migrants local communities and national and supranational policies From the exodus of the 1990s to cooperation with Frontex and the latest bilateral accords with Italy Albania's trajectory reveals how migration governance has been reshaped at Europe's borders Addressing the evolution of the Balkan routes leading to the EU and their interrelation and the impact of migration on the Albanian social and political fabric the book concludes by underlining the strategic importance of Albania in European migration routes and the need to reformulate regional and European cooperation in the management of migration flows An important new interdisciplinary approach offering fresh perspectives on the role of transit countries in contemporary migration flows it ultimately points to the importance of multidimensional understandings that integrate sociological political and humanitarian aspects It fills a crucial gap in the academic and policy debate and will appeal to scholars researchers and policymakers with interests in contemporary migration dynamics and their social and political implications

**The Deal**, 2006    **Soon** Lewis Blackwell, Chris Ashworth, 2001 Soon reveals the inner workings of leading advertisers and creative thinkers from around the globe when asked to create advertising for brands that will answer the needs of society in the future. Chris Ashworth has held senior creative positions at MTV Europe and Ray Gun magazine as well as formed the studios Substance and Still.
