Populism and Professional Wrestling in the Sunbelt South From Rasslin to Sports Entertainment traces the history of professional wrestling in the South within the Trans Mississippi Region between the 1950s 1990s Examining professional wrestling through the lens of kayfabe also known as the perception of the realism and the suspension of disbelief among fans this book discovers that the dissolution of kayfabe occurred simultaneously with significant political social and cultural events in Southern history including the Civil Rights Movement and technological and economic modernity Christopher L Stacey determines that the same political social economic and cultural forces of modernity in the Sunbelt South reflected a new form of southern and national populism embedded within the professional wrestling industry New forms of populism were reflected within characters storylines gimmicks and angles of several territories in the Trans Mississippi region Through autobiographies biographical information and shoot interviews Stacey provides a closer look into the business of professional wrestling during the mid twentieth century and how it connects to racial gender class and national identity

Gaming Democracy Adrienne L. Massanari,2024-10-29 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In Gaming Democracy Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley s emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming Gaming Democracy is a novel contribution to our understanding of online platforms and far right political activism      The English Reports: Common Pleas ,1912 V 1 11 House of Lords 1677 1865 v 12 20 Privy Council including Indian Appeals 1809 1865 v 21 47
