IC3: Internet and Computing Core Certification Global Standard 4 Study Guide Ciprian Adrian Rusen, 2015-04-27 Hands on IC3 prep with expert instruction and loads of tools IC3 Internet and Computing Core Certification Global Standard 4 Study Guide is the ideal all in one resource for those preparing to take the exam for the internationally recognized IT computing fundamentals credential. Designed to help candidates pinpoint weak areas while there's still time to brush up this book provides one hundred percent coverage of the exam objectives for all three modules of the IC3 GS4 exam. Readers will find clear concise information, hands on examples and self paced exercises that demonstrate how to perform critical tasks. This useful guide includes access to a robust set of learning tools including chapter review questions, a practice test environment, electronic flashcards and author videos that explain complex topics. The certification consists of three separate exams: Computing Fundamentals, Key Applications, and Living Online. Candidates are given fifty minutes to answer forty five questions so rapid recall and deep understanding are critical to success. IC3 Internet and Computing Core Certification Global Standard 4 Study Guide provides expert instruction on everything candidates need to know including hardware, software, networking and more. Review operating system basics and common application features. Understand troubleshooting and safe computing. Learn basic word processing, spreadsheet, presentation and database activities. Study networking concepts, digital communication and research fluency. The exam includes both multiple choice and performance based questions and this guide provides plenty of both so candidates can get comfortable with both material and format. More than just a memorization tool, this book helps exam candidates understand the material on a fundamental level giving them a greater chance of success than just going it alone. For the IC3 candidate who's serious about certification, IC3 Internet and Computing Core Certification Global Standard 4 Study Guide is the complete hands on exam prep guide.
