Based on the Kaiser Chronological Ed. with Reference to the Erlangen and Walch Eds** Martin Luther, 1907 **The Large Catechism of Dr. Martin Luther, 1529** Kirsi I. Stjerna, 2016-11-14 With great detail Kirsi I Stjerna introduces and annotates Luther's Large Catechism which the reformer offered as a radical reorientation in the matters of theology and spirituality After diagnosing what appeared to him as his church's failures to provide proper spiritual care Luther set out to offer a new compass for religious life The sweeping reforms he proposed took root primarily through preaching and education as people embraced the new vision and transmitted it to their children He believed all Christian people laity and clergy needed a guide to comprehend the basic biblical creedal and sacramental teachings The order with which Luther proceeds in the Large Catechism is deliberate with a distinct theological rationale the Commandments express God's expectations the Creed proclaims God's promise the Lord's Prayer translates law and gospel into a personal discourse with God and the sacraments offer tangible expressions of God's grace and signs to lean on in faith This volume is excerpted from The Annotated Luther series Volume 2 Each volume in the series contains extensive annotations illustrations and notes to help shed light on Luther's context and to interpret his writings for today Decolonizing Discipline Valerie E. Michaelson, Joan E. Durrant, 2020-09-04 In June 2015 Canada's Truth and Reconciliation Commission released 94 Calls to Action that urged reform of policies and programs to repair the harms caused by the Indian Residential Schools Decolonizing Discipline is a response to Call to Action 6 the call to repeal Section 43 of Canada's Criminal Code which justifies the corporal punishment of children Editors Valerie Michaelson and Joan Durrant have brought together diverse voices to respond to this call and to consider the ways that colonial Western interpretations of Christian theologies have been used over centuries to normalize violence and rationalize the physical discipline of children Theologians clergy social scientists and First Nations Inuit and Métis leaders and community members explore the risks that corporal punishment poses to children and examine practical non-violent approaches to discipline The authors invite readers to participate in shaping this country into one that does not sanction violence against children The result is a multifaceted exploration of theological debates scientific evidence and personal journeys of the violence that permeated Canada's Residential Schools and continues in Canadian homes today Together they compel us to decolonize discipline in Canada *Christian Ethics and Nursing Practice* Richard B. Baptism Jim Petty,Miles Cotham,2022-11-11 In this study Jim Petty and Miles Cotham have made a thorough analysis of the biblical passages concerning the purpose of baptism particularly as it relates to holiness and forgiveness The authors have looked beyond the traditional church dogmas to discover and restore the beauty and significance of the baptismal event As the doctrine of baptism is wound and entwined through other doctrines taught in the New Testament a tapestry of salvation emerges in which each doctrine is dependent on and complimentary to the others Following a careful examination of the meaning of holiness the authors have demonstrated its close affinity to baptism as seen in the practice of baptism by John the Baptist and Jesus in the preaching of the early church and in the writings of the New Testament letters In the appendix the study concludes with a selected list of quotations throughout the history of the church that includes various interpretations of the purpose of baptism
