## **Stumble Virtue Vice And The Space Between:**

Stumble Heather King, 2015-03-06 Our lives are lived in virtue and vice and most often in the ordinary space between We stumble and rise back up ready to take on another day King explains that virtue is the right way to deal with what life places in front of us Stumble will encourage you to look at your challenges in a new way *Loaded* Heather King, 2016-04-15 Do not store up for yourselves treasures on earth where moth and decay destroy and thieves break in and steal But store up treasures in heaven where neither moth nor decay destroys nor thieves break in and steal For where your treasure is there also will your heart be Matthew 6 19 21 In a culture sickened by materialism gluttony and greed of all kinds the Gospel s call to live simply and to share abundantly is more pressing than ever For many of us voluntary poverty is an ideal But to be voluntarily poor as opposed to the pendulum swings of overspending underearning and pathological self deprivation that can dictate our lives we have to be rich first in trust and love if not in money In *Loaded Money and the Spirituality of Enough* lawyer turned writer Heather King shares her own recovery around money as well as the stories of others who have worked to reverse self defeating patterns and move on to a healthy mindful relationship with money In an approach that s very much informed by Jesus s many words on the subject she offers simple proactive and transformative steps you can take to heed the Gospel s call in your own life The language of *Loaded* will be familiar to those in recovery for addictions of various kinds and easily accessible to those who aren t Wherever you fall on the spectrum between freedom and bondage around money these stories and tools will help And the underlying principles clarity honesty the confluence of will and grace apply in every area of our lives Unlike so many money books *Loaded* is not about how to make more and consume more It s about how to detach from the idea that our identity could possibly lie in how much or how little money we have It s about discovering that money is a means of love and service And it s about following the deepest desires of your heart and discovering that the real economy is As you give so shall you receive Stripped Heather King, 2015-08-11 Cancer that unfair indiscriminate devastating disease affects everyone at some point whether a family member a friend or ourselves It is a life altering event of seismic proportions that forever impacts the landscape of our lives and with raw force pushes us to reorder priorities reassess values and perhaps rethink our faith A diagnosed tumor forced Heather King to this crisis of mortality to live at the crossroads of uncertainty belief fear culture and modern medicine Only her faith in Christ the Great Physician helped her sort through the crippling uncertainty and choose her best way forward *Stripped* is a heartfelt expression of profound Catholic faith in the face of a cancer diagnosis It chronicles King s informed decision not to blindly declare war on her cancer but to carefully examine all the medical evidence available and to choose to bring God into her decision making even if that meant going against established medical advice The story of *Stripped* demonstrates how King s medical and spiritual journey led her to a place of freedom in Christ where she could make an informed and faith filled decision about her course of treatment and ultimately accept her vulnerability King learned as we all must that healing means so much more than simply
