The World of Yesterday Stefan Zweig, 2021-04-06 Stefan Zweig reminisces on his memories of a pre WWII Europe

The World of Yesterday's Humanist Today Stefan Zweig Symposium (1981: Fredonia, N.Y.), 1983-01-01 France 1837 was the third volume published in Cooper's Gleanings in Europe series but first in the chronology of his European experience Less sequential than his other travel narratives France distills his impressions of French and European culture during his first two years abroad Exhibiting many qualities of the familiar essay it considers a wide range of topics of interest to Cooper his friends and potential readers in the United States As a celebrity thoroughly at home in the brilliant society of Bourbon Paris Cooper was able to provide fascinating glimpses of personalities spectacles institutions and manners from his distinctly American perspective Indeed as Professor Philbrick remarks No other of Cooper's works perhaps brings us closer to his speaking voice or puts us more directly in contact with the man himself with all his idiosyncratic preoccupations his quick resentments his restless curiosity his surprising humor and his nobility of principle The reader of this edition is brought even closer to Cooper in the draft of a hitherto unpublished letter probably intended for this book which illustrates Cooper's grasp of the still finer points of French customs and attitudes

The world of yesterday Stefan Zweig, 1953 *The world of yesterday* Gertraud Steiner, 1991 **In the Future of Yesterday** Rüdiger Görner, 2025-04-01 A refreshing approach to the life and work of Austrian writer Stefan Zweig In the Future of Yesterday delves into Stefan Zweig's considerable contribution to world literature rooted in the Austro-Jewish tradition His privileged social background saw him embrace European culture and cosmopolitanism A world traveler from the outset he liked to uproot himself but whether he stayed in London New York or eventually in Brazil his literary

baggage continued to contain the flair of fin de siècle Vienna This biography re-examines Zweig's influential time in England and offers new insights into his final years in the United States and Brazil It discusses some of his prolific literary output in relation to his life and explores his political views on Europe Zionism and the world order in greater depth than previous appraisals of Zweig's life The book also considers the many contradictions in Zweig's views and attitudes which included an initial and surprising leniency towards fascism Most importantly though In the Future of Yesterday presents Zweig as a towering figure of a form of writing that was bursting with life and that was written in the knowledge that there can only be a future if we remain conscious of the past In that sense Zweig is a writer for our time Stefan Zweig and the World of Yesterday Joseph Leftwich,1958 World of Yesterday's Humanist Today Sonnenfeld,1984-08 **The United States of Yesterday and of To-morrow** William Barrows,1888 *A Comparison of Stefan Zweig's Autobiography The World of Yesterday and Alexander Granach's There Goes an Actor* ,1998 The Drama of Yesterday & To-day Clement Scott,1899 The World of the Theatre Jack Thomas Grein,1921 **Stefan Zweig: the world of yesterday's humanist today ; proceedings of the Stefan Zweig Symposium** Sonnenfeld Marion ed,1983 **THE NORTH-AMERICANS OF YESTERDAY: A COMPARATIVE STUDY OF NORTH-AMERICAN INDIAN LIFE CUSTOMS, AND PRODUCTS, ON THE THEORY OF THE ETHNIC UNITY OF THE RACE** FREDERICK S.
